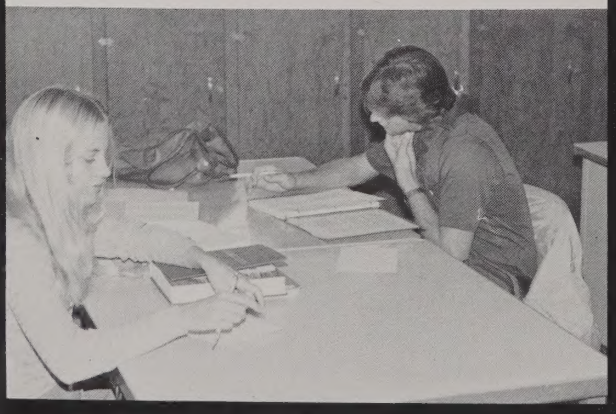
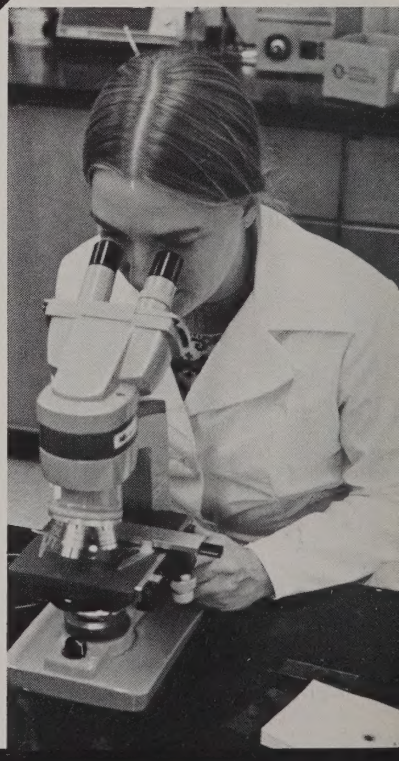
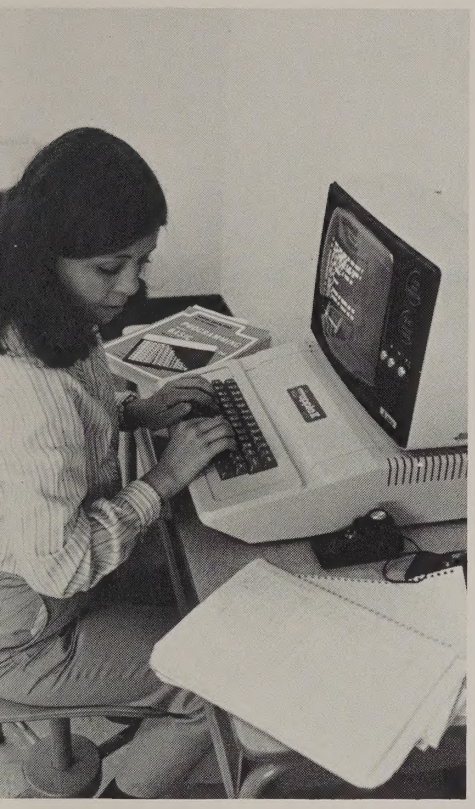
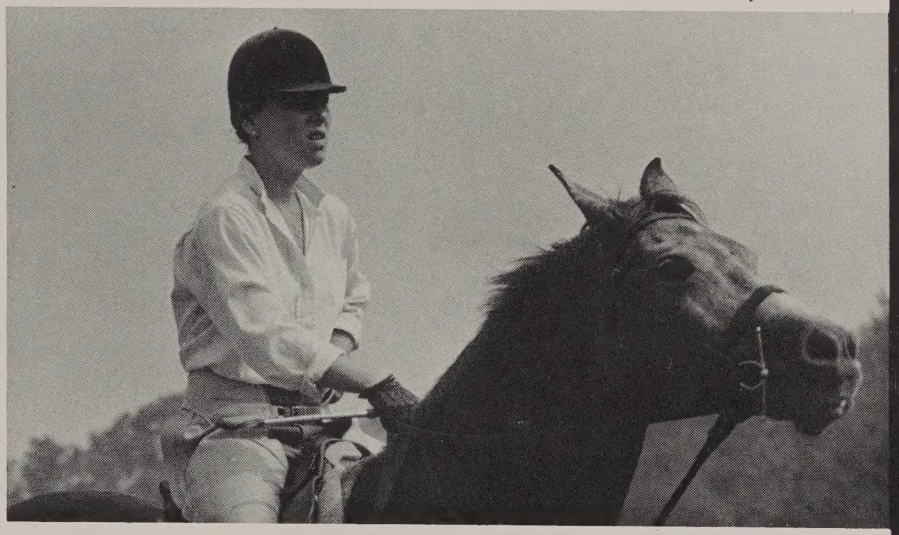
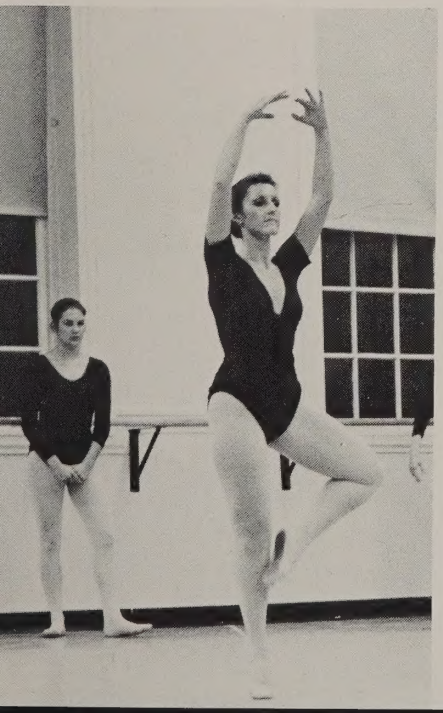
Well-known as a college of the arts, V.I. attracted a vast and varied collection of people from all walks of life, developing a uniquely rounded student body.



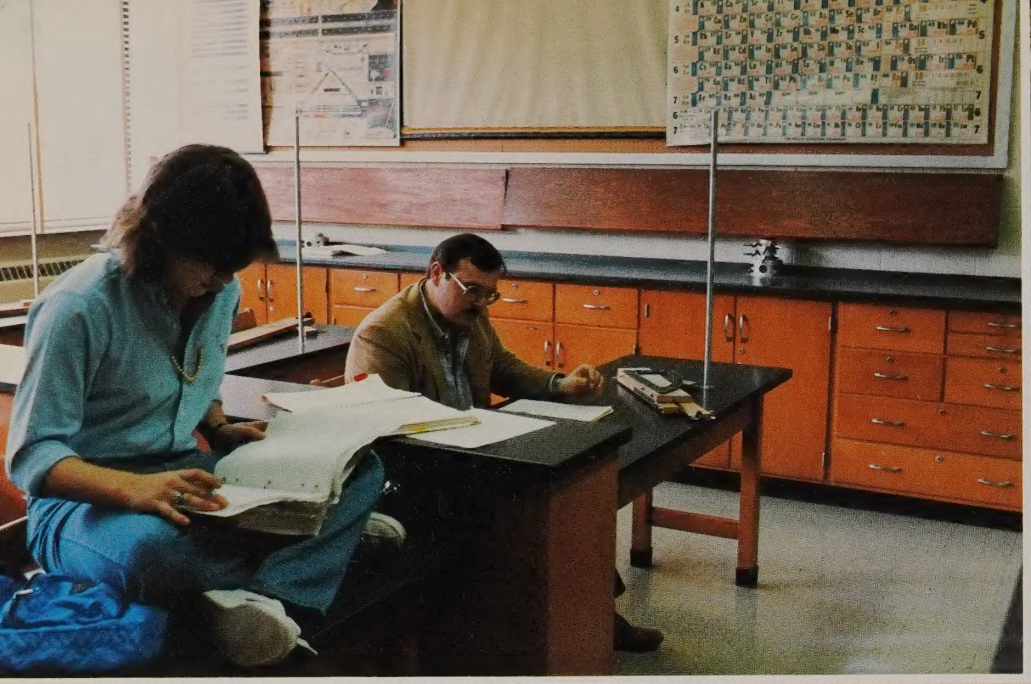


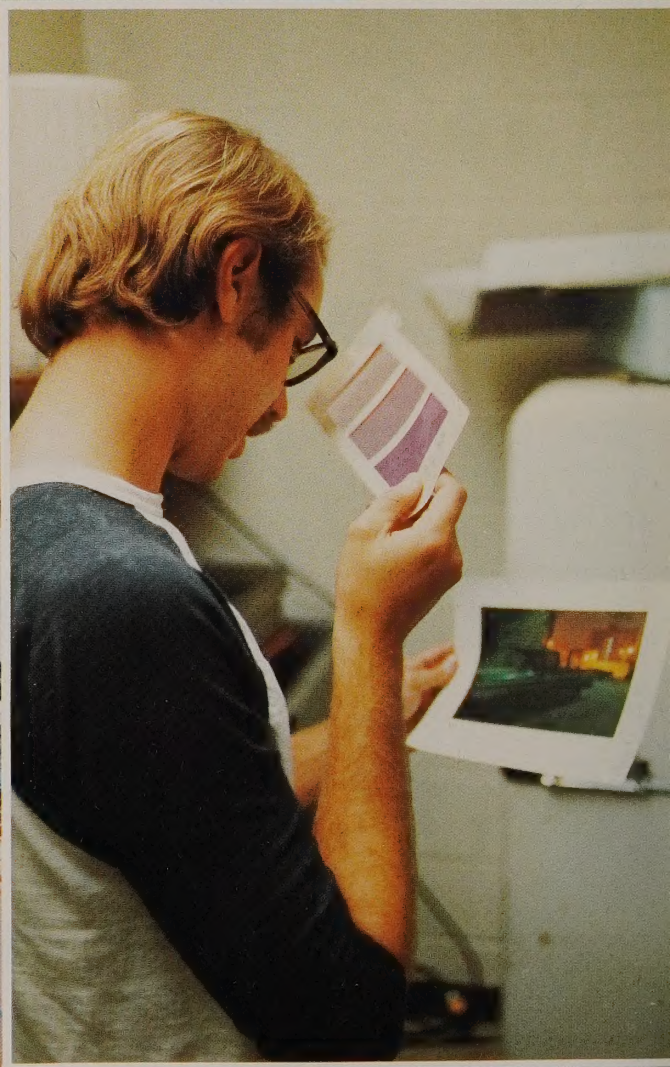


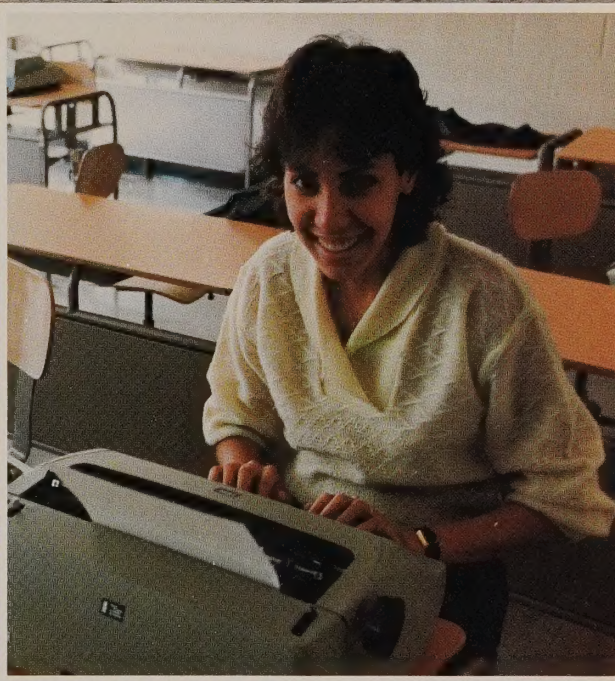




ACADEMICS

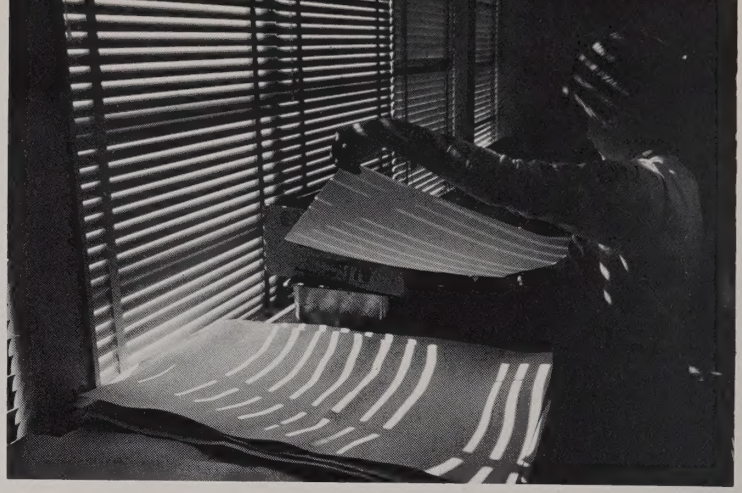


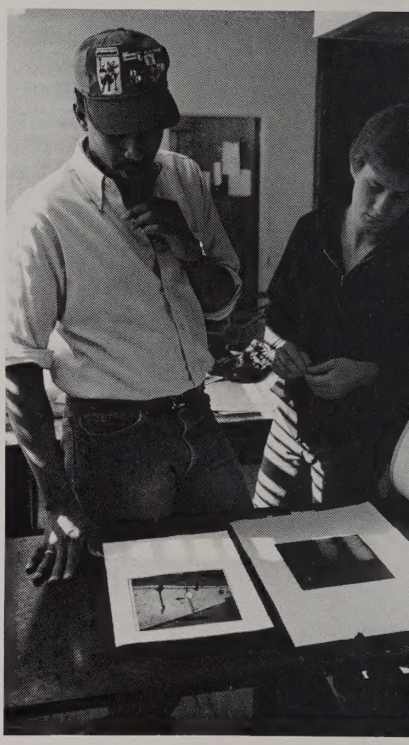


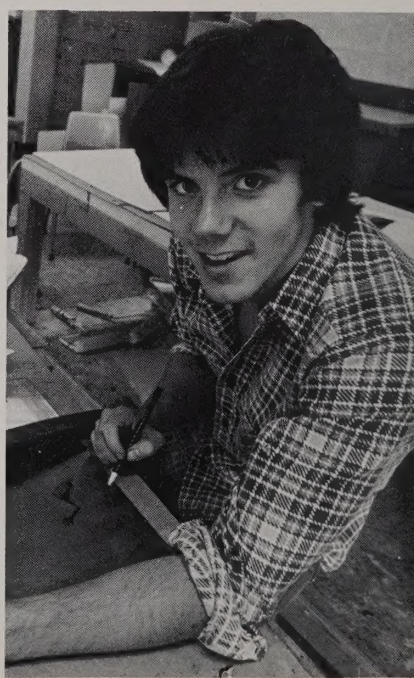


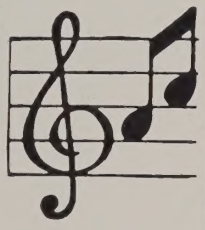
Art

Emotions represent one's inner feelings, and the reflection of these emotions is art. Students at V.I. express their creativity through various forms of art, including painting, sculpture and print-making.







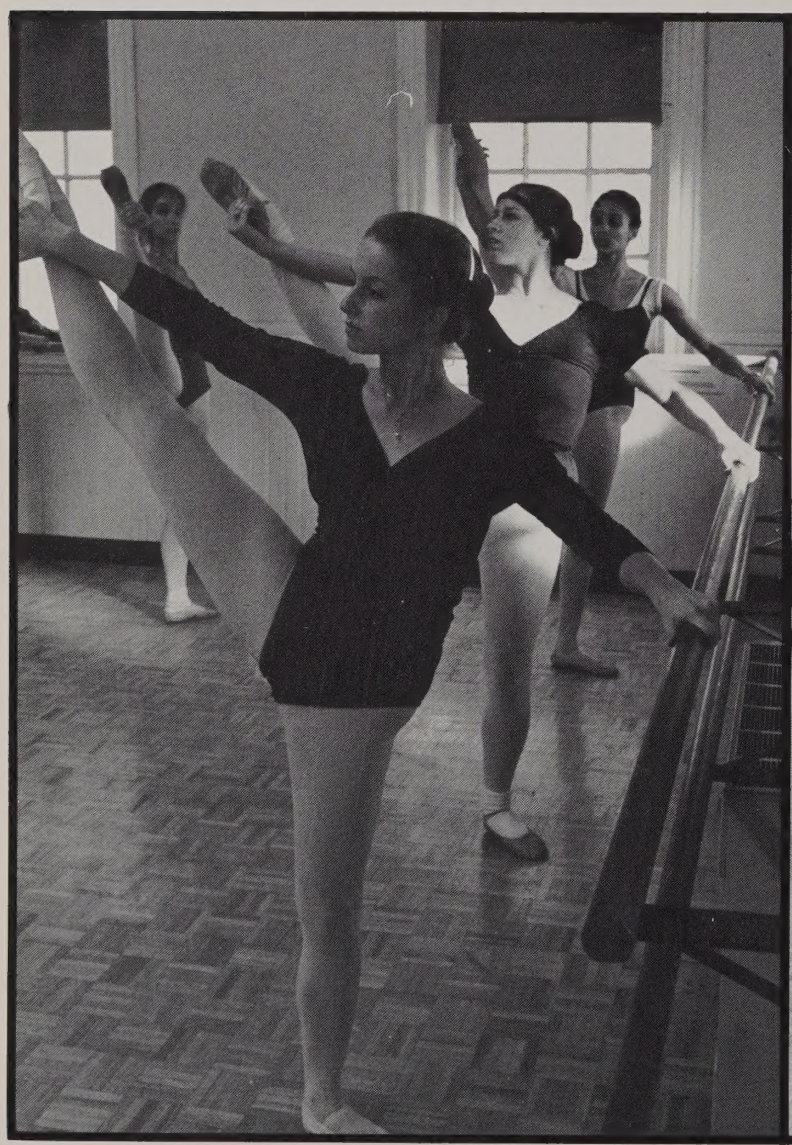


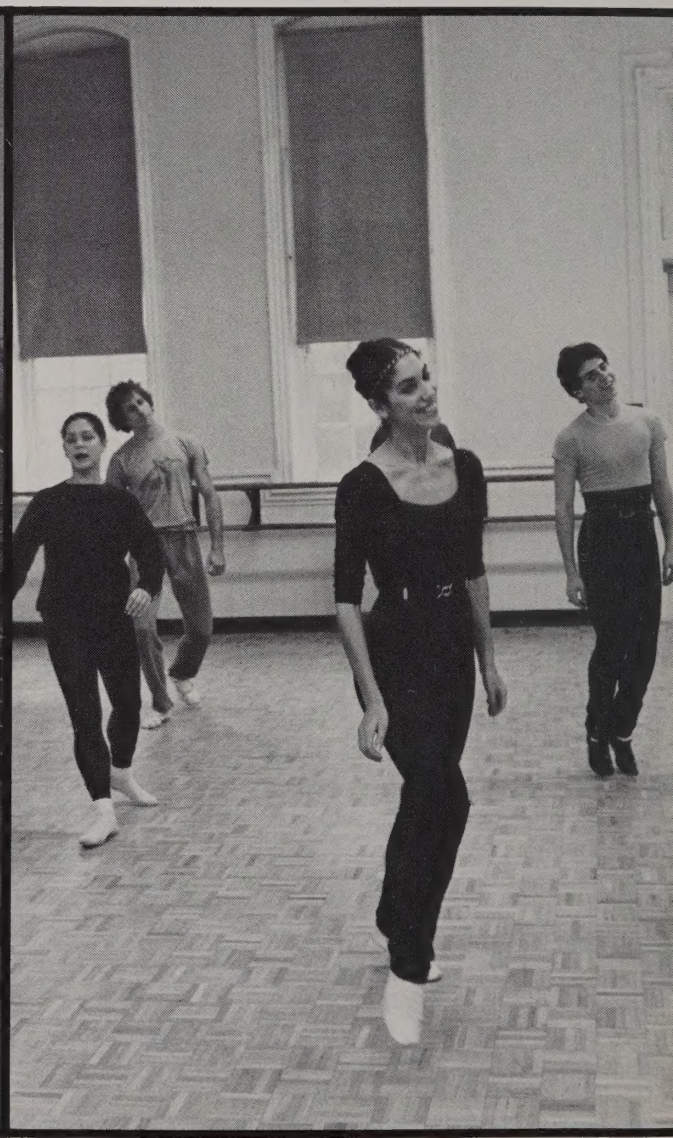
Music

Music is the universal language; understood and acknowledged by everyone in an individual and personalized way. Here at V.I., the wide variety of talent is shared and enjoyed by all.

Ballet

The Virginia Intermont Ballet Department attracts students from many parts of the world and has become one of the best known and successful dance departments in the nation. V.I. ballet graduates are teaching in some of America's most famous professional schools, have established their own successful schools and have become professional dancers in companies around the world.





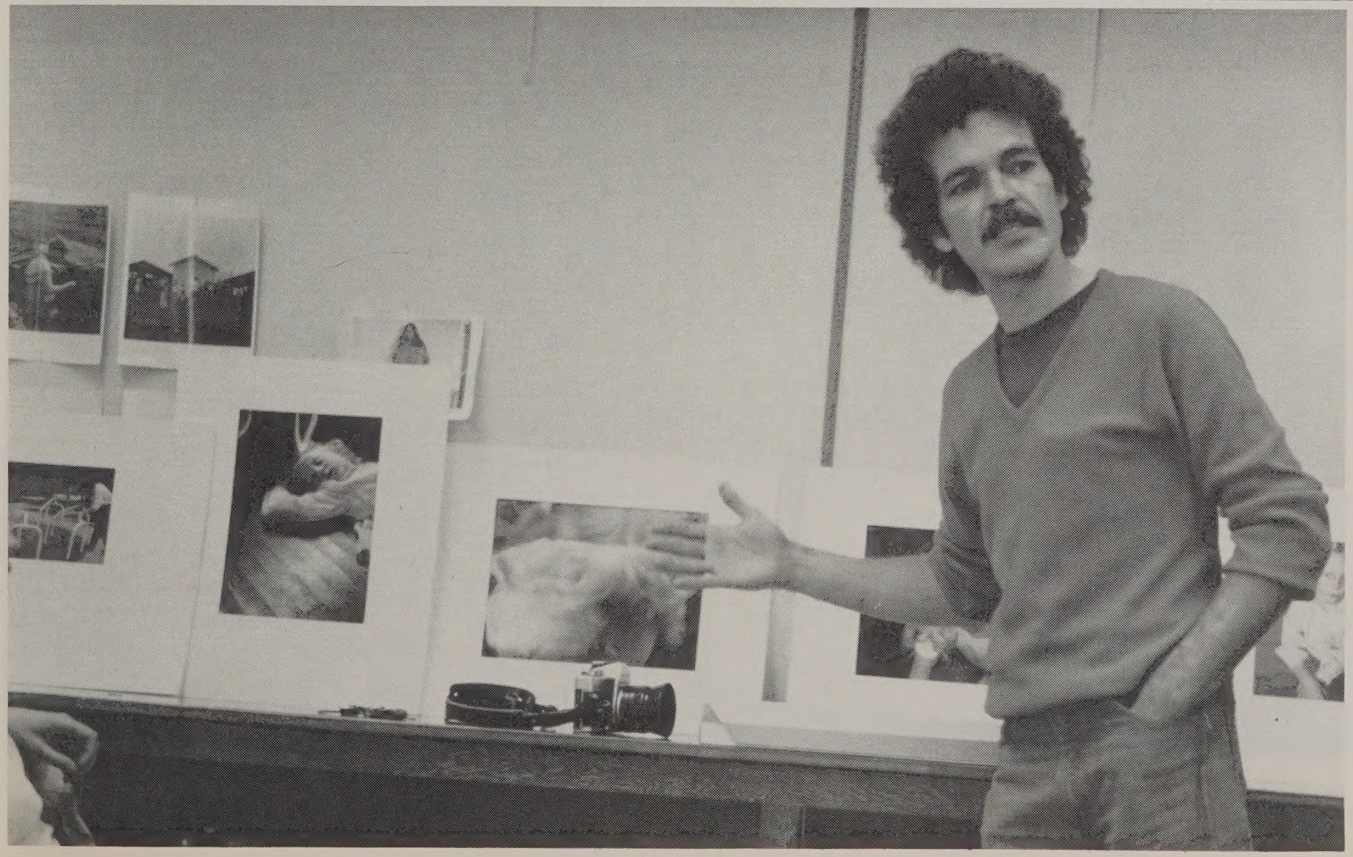
The performing outlet for qualified ballet majors is "The Bristol Ballet Company," a non-profit, regional honor company.

In addition to their regular academic loads, company members spend many long hours in rehearsals for their three performing seasons, "The Nutcracker" at Christmastime and two seasons of repertory including classics and original choreography in many different dance styles.

Photography

One of the fastest growing majors here at V.I., the Photography dept. has doubled its faculty in the last two years. Unlike most photography schools, V.I. bases its courses on the artistry of photography instead of the technical aspect, while maintaining a large academic requirement to ensure a well-rounded education. Archival, one of the prevelant Issues in today's world of photography, is dealt with in depth here at V.I. Professional Instruction and a low teacher to student ratio draw students from all across the nation as well as from many foreign countries to work toward their B.A. degree here at Virginia Intermont College.

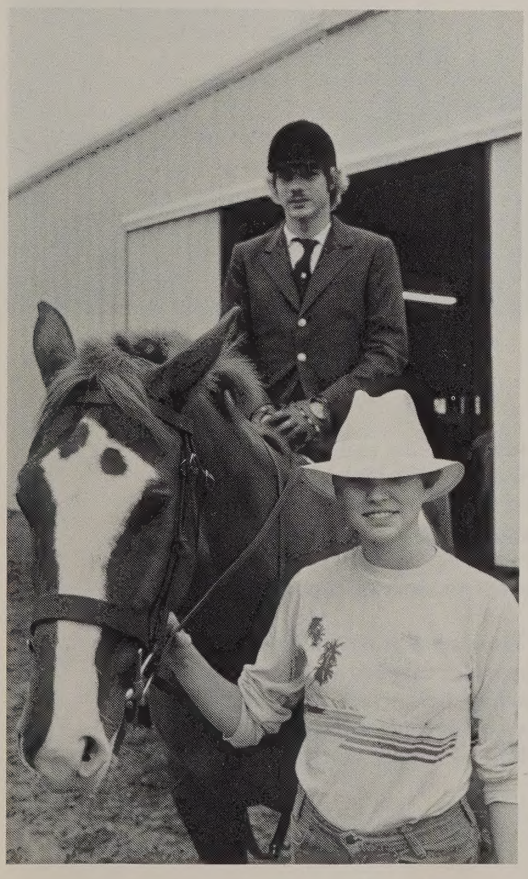
Along with the usual campus activities, the Dept. conducts courses such as the Wilderness class to promote creativity and provide experience in diverse working situations.
Occasionally, professional photographers are invited to hold workshops to provide further insight into new techniques and procedures.



Horsemanship

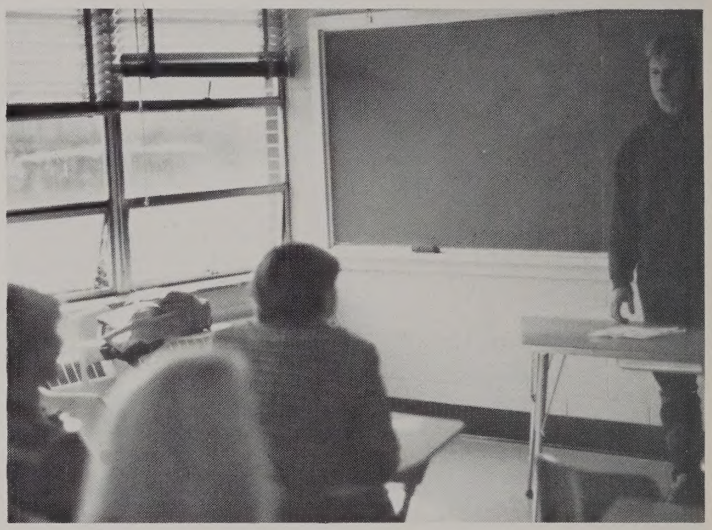
The Equestrian Studies program is one of the largest and most popular majors at Virginia Intermont College. Horsemanship is a four-year program leading to a B.A. Degree. Three concentrations are available: Management, Schooling, and Teaching. Many students combine the Horsemanship major with another such as Art, Business, or Photography.

Classes at the V.I.R.C. range from Theory of Hunt Seat to Teaching Observation and Demonstration and from Fox Hunting to Stable Management. Activities this year consisted of schooling and open shows, visits and participation in area shows, horsemanship parties, and an extremely successful bonfire.



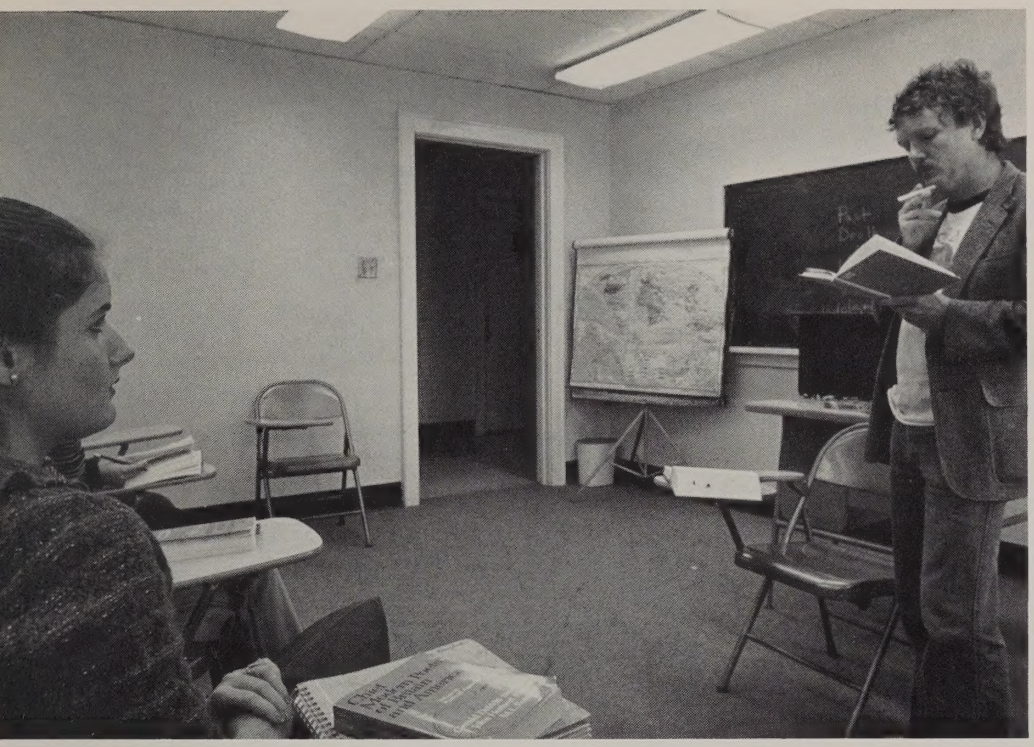
Drama/Speech

Under the direction of Mr. J. Kevin Doolen, the Drama/Speech Dept. is currently in a rebuilding process. V.I. now offers an A.A. degree in this area with hopes of soon expanding the program to offer a B.A. degree in this field. Along with training in Acting skills and the construction of scenery, students are offered courses in Directing, Public speaking, Theatre History and Oral interpretation. With such productions as **Chapter Two** and **Dames At Sea**, the dept. has already earned an excellent reputation.

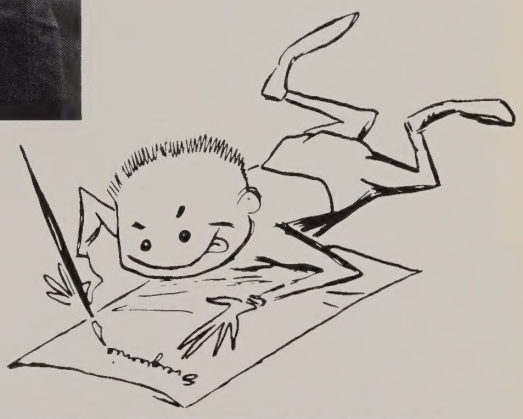


Students in Public speaking are required to deliver a minimum of seven speeches based on the Basic Motives of persuasion, informative, and evaluation. Emphasis is placed on individual work with each student to develop personal style and technique.

Through the Arthur Lessac system, proper articulation is learned through sensing the correct structural form of letters and sounds rather than the older method of simply listening to one self.



English



If I Had Known Then All Things I Know Today

If I was born with all wisdom and
extra sensory powers
I would be feared by most
Had I known when all things will
die
Known when the earth will
crumble
Then my wisdom would cause
great panic
All would try to prolong their
predetermined lives
Things were not meant to be
foreseen
I must take things as they come
Know all I can know
Today

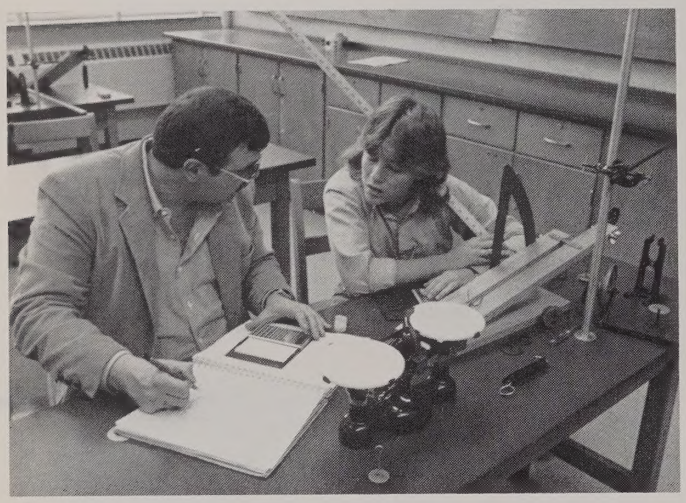
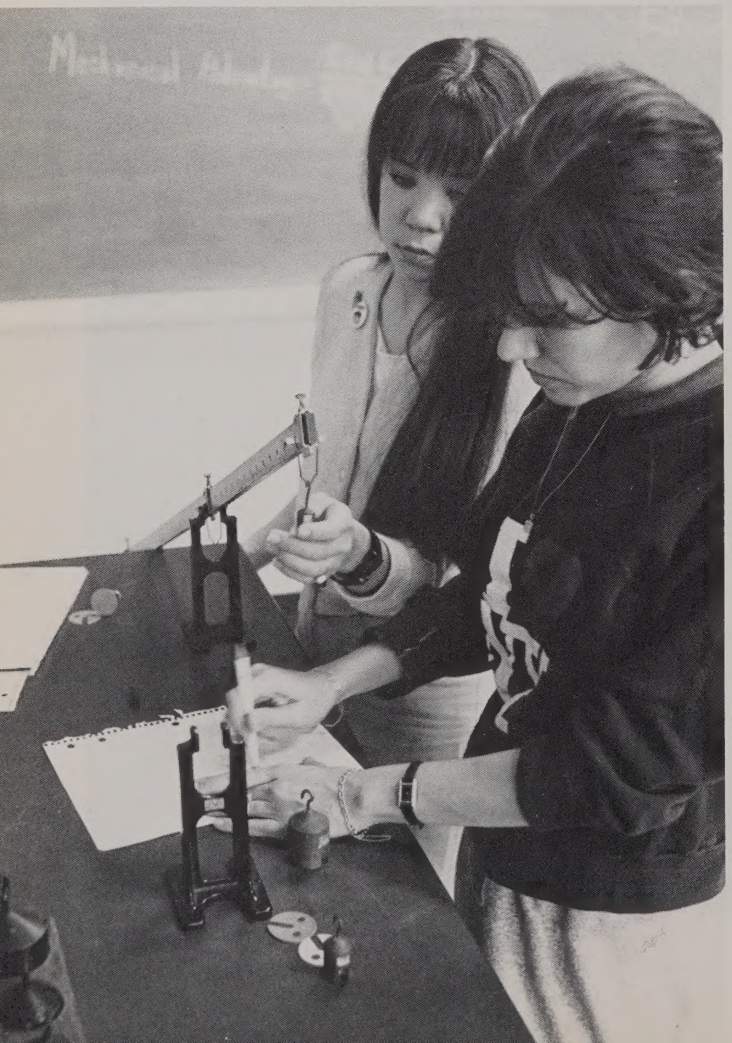
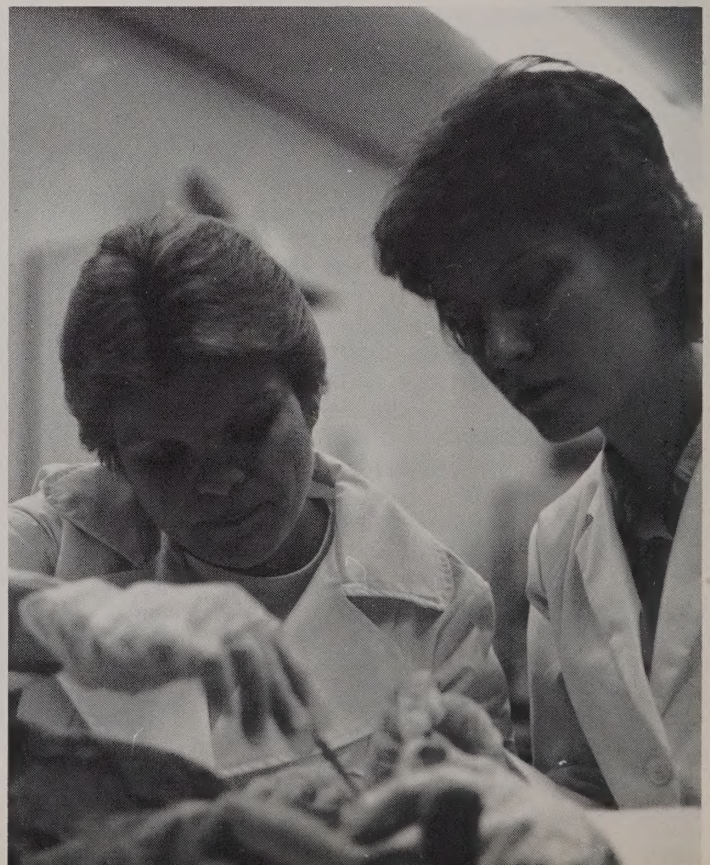
The Sciences

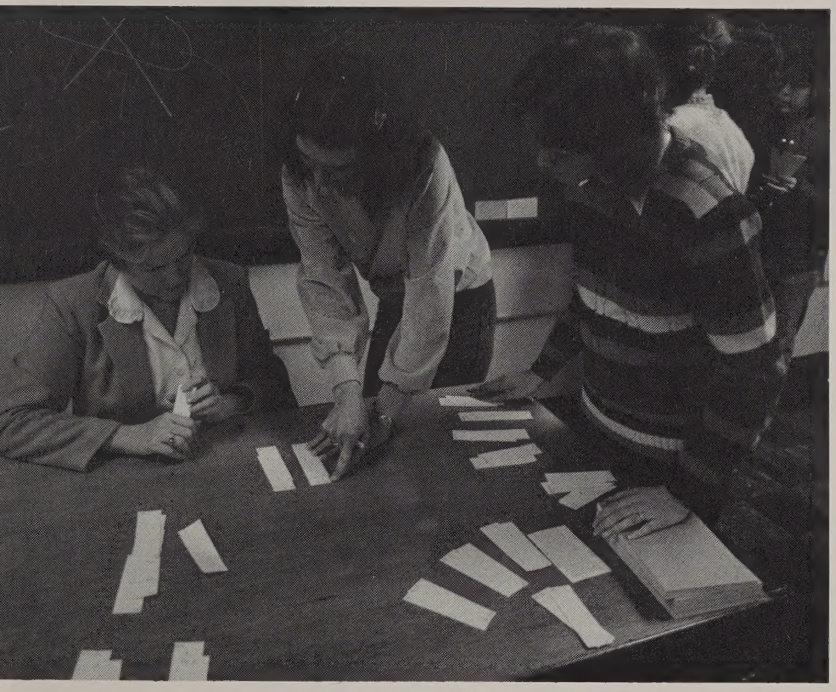
The dept. of Biology and Allied Health Sciences offers such courses of study as chemistry, health, physics, and biology in their curriculum leading to a B.A. degree. In addition to campus studies an intern program is offered through Bristol Memorial Hospital.

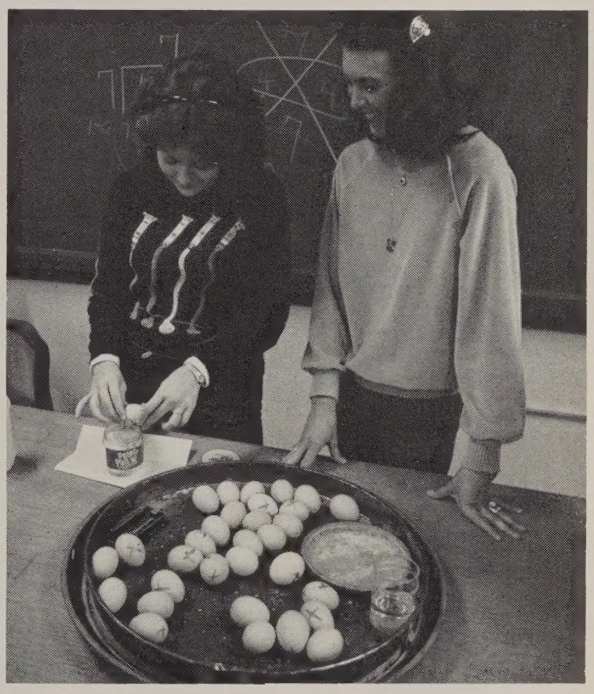






V.I.'s Home Ec. dept. helps design and produce some of the costumes worn by students in the ballet and theatre departments during their performances.
Some Home Ec. courses include Basic Clothing, Costume Construction and Interior design which when taken may be used for credit toward a B.A. degree in a major such as Merchandising.

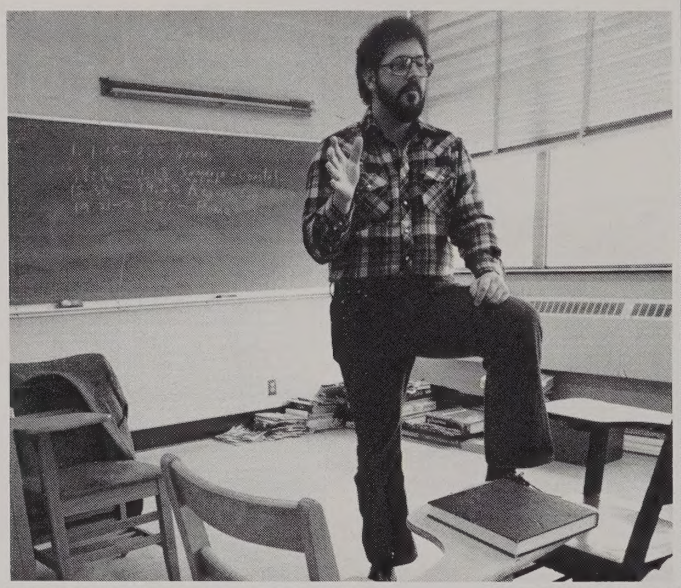


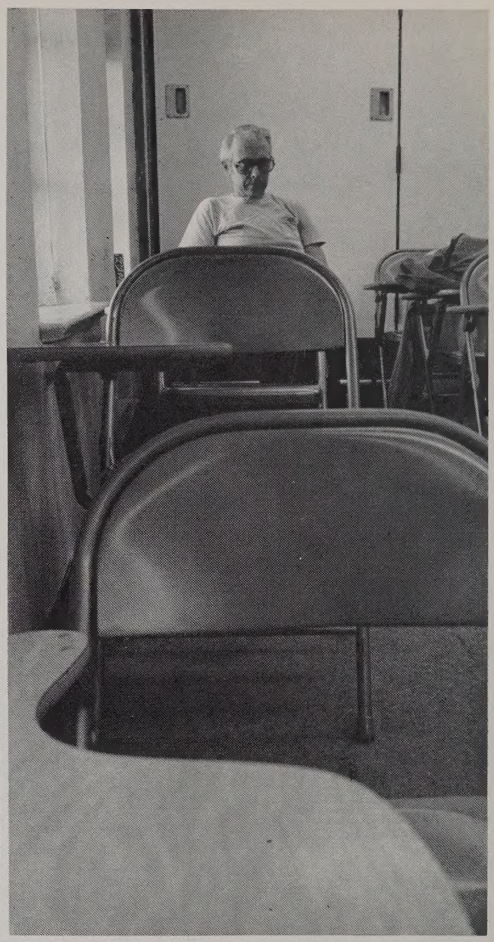


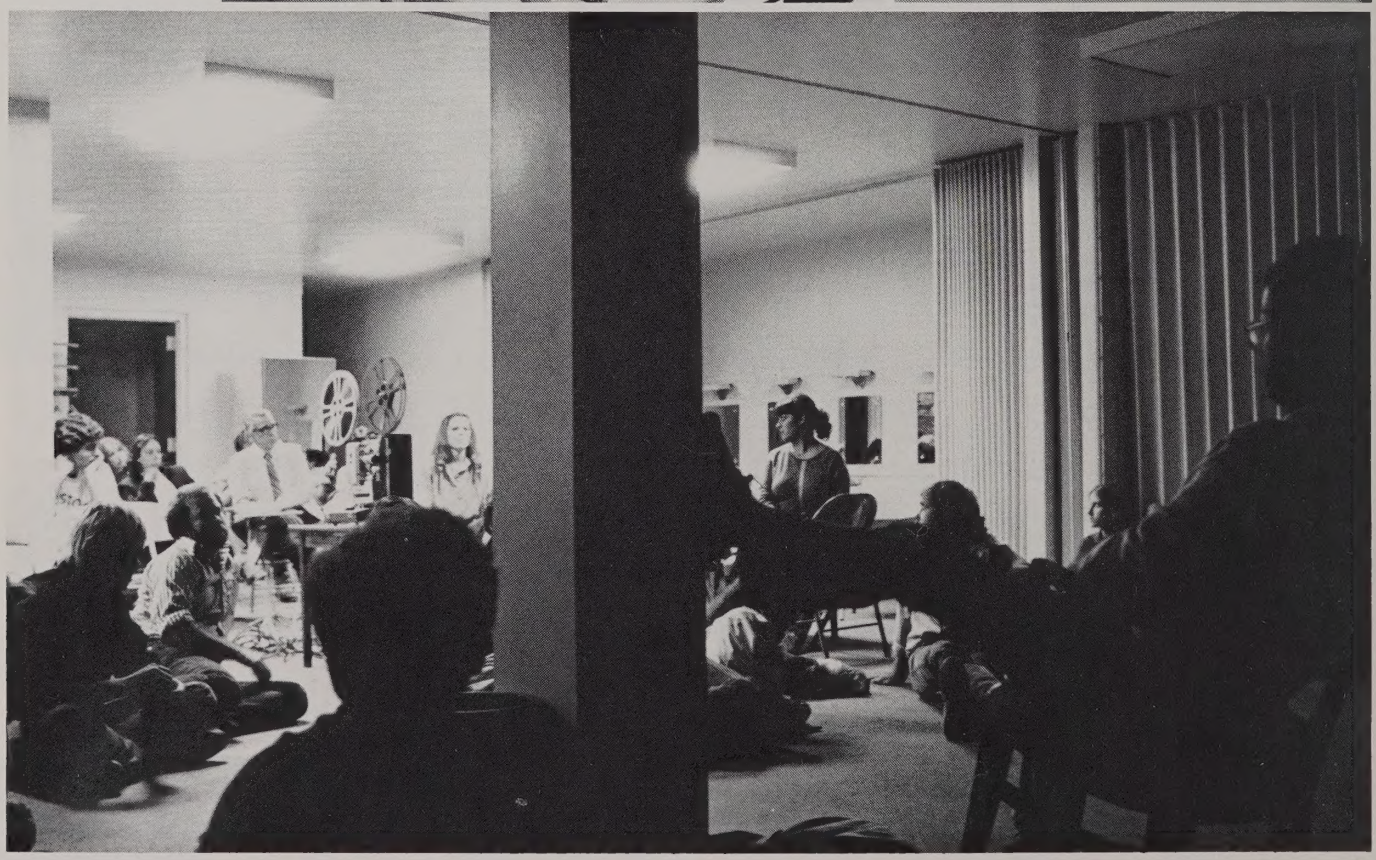
Education

The Education dept. strives to help the student develop the necessary skills and knowledge that is used in public school teaching.
By taking courses such as Survey of Exceptional Children, English Grammar, and Teaching of Reading the student is able to fulfill the curriculum objectives by doing a practice teaching internship in his/her senior year before graduating with a B.A. degree in either Early Childhood or Elementary Education or Secondary Education with a concentration in English, Art or Music.

Philosophy
Religion
Social Work

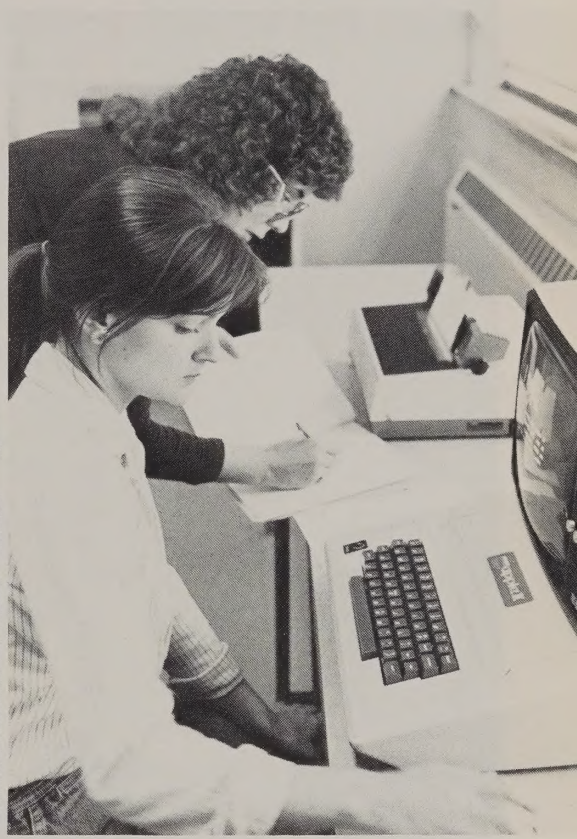


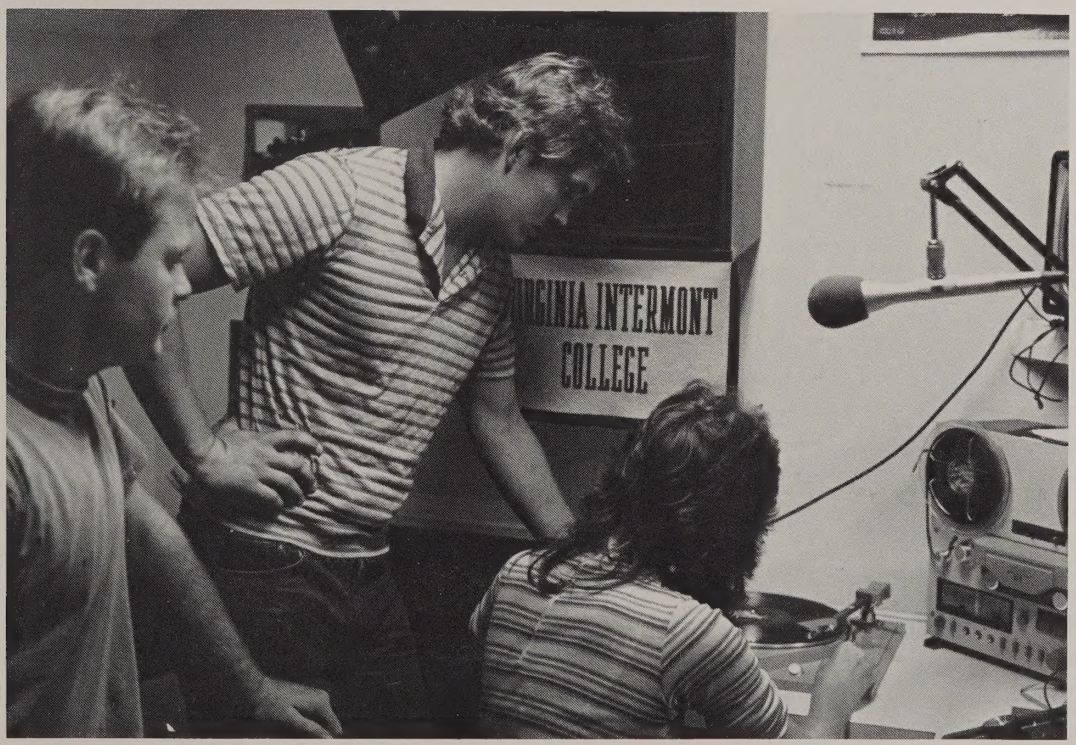




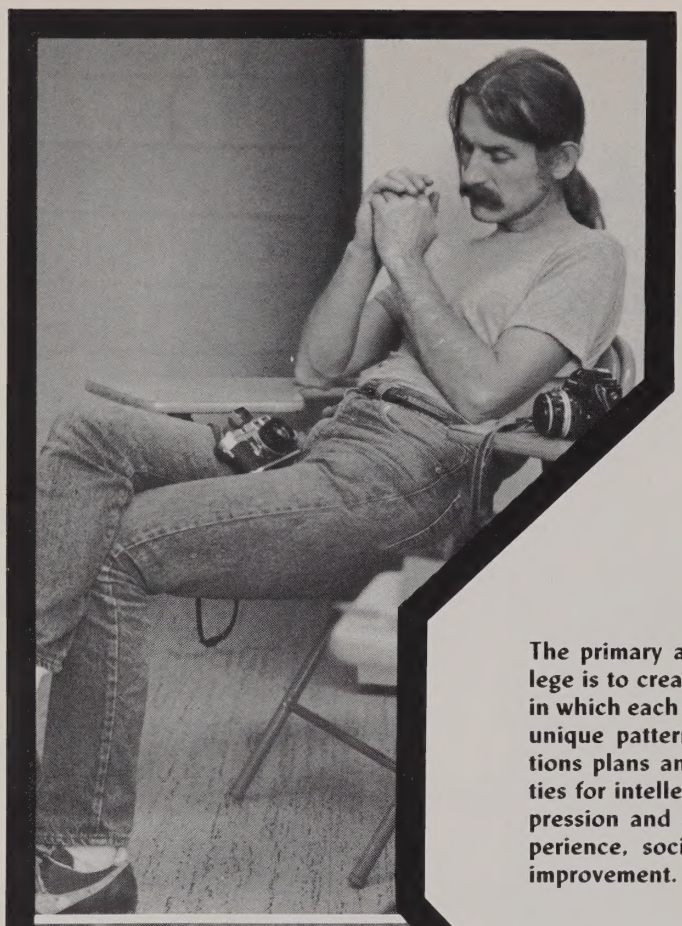
Business

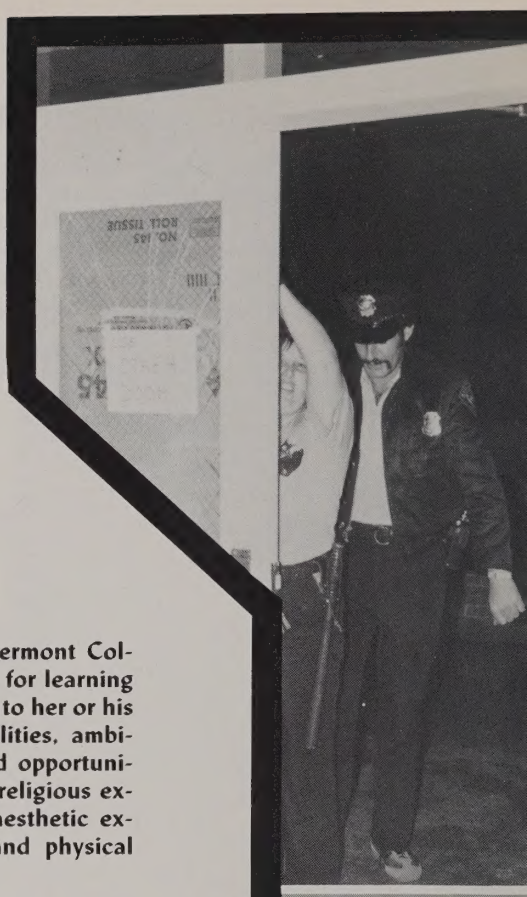
The Business dept. offers various courses aimed at preparing the student for his/her future in the Marketing/Retail field. Four B.A. degrees are offered by the Business dept. — Management, Office Administration, Fashion Merchandising, and Secretarial Studies. An Information Management degree is offered through the Computer Division.



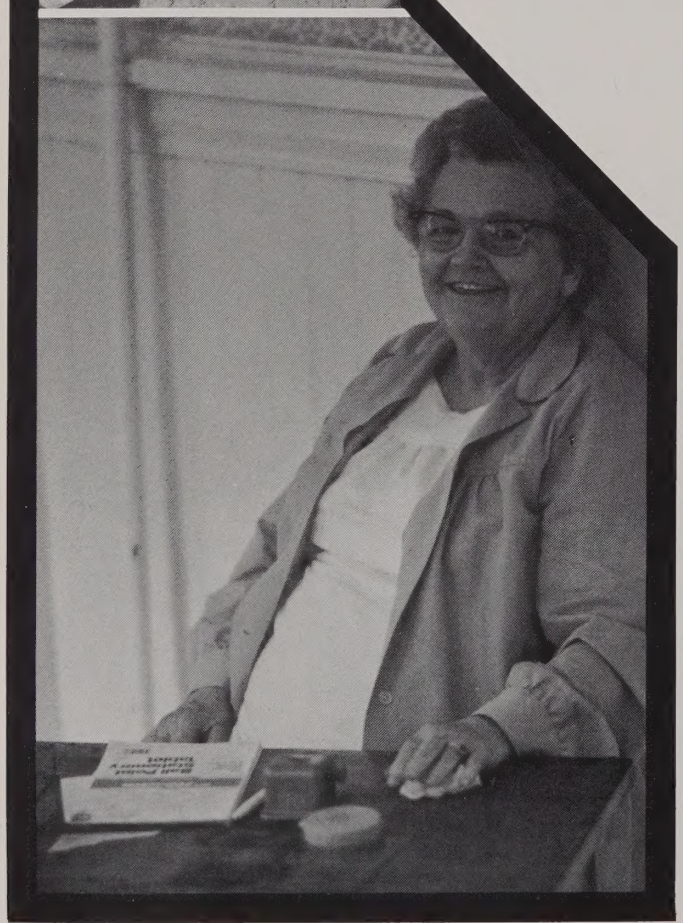


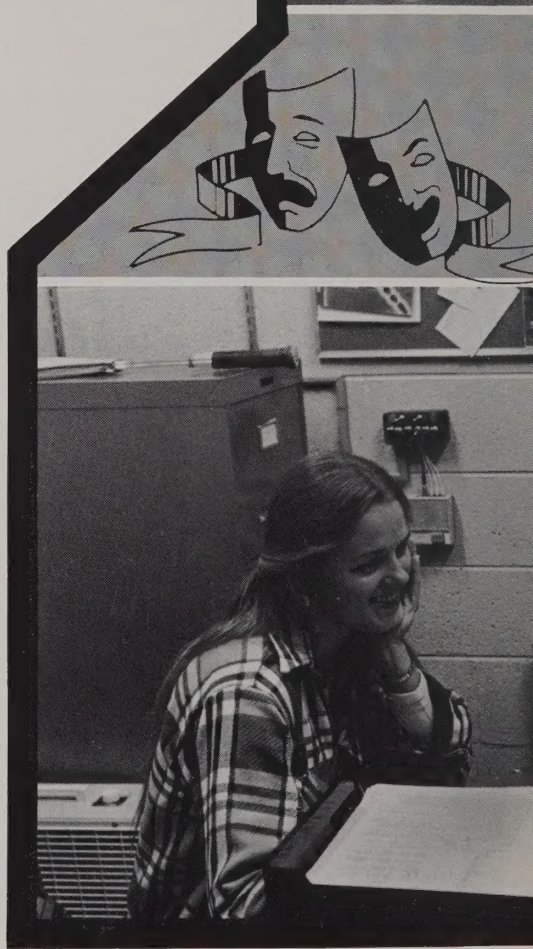
Communications

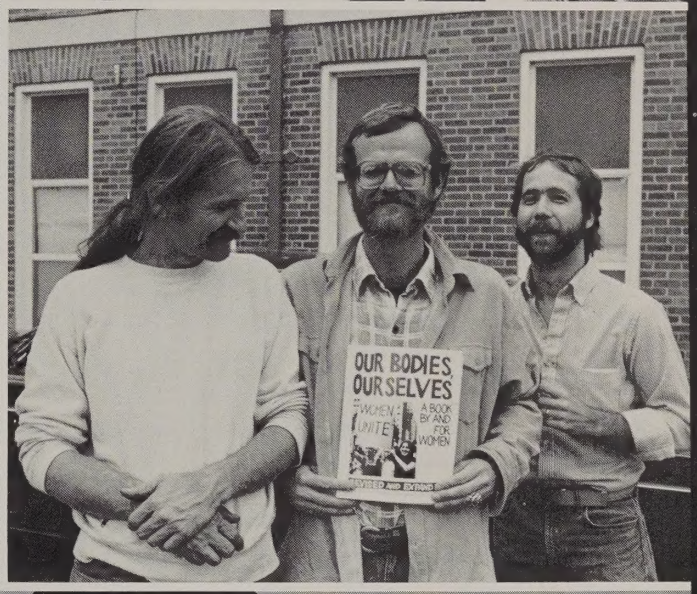


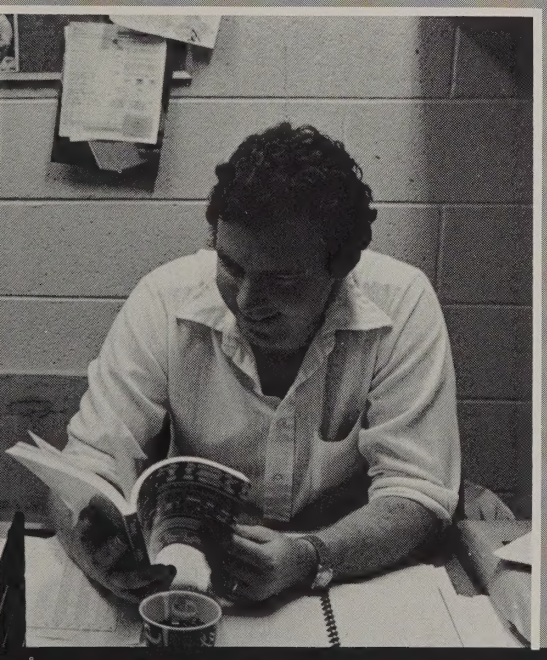


The primary aim of Virginia Intermont College is to create an environment for learning in which each student according to her or his unique pattern of interests, abilities, ambitions plans and talents may find opportunities for intellectual stimulation, religious expression and spiritual growth, aesthetic experience, social development and physical improvement.

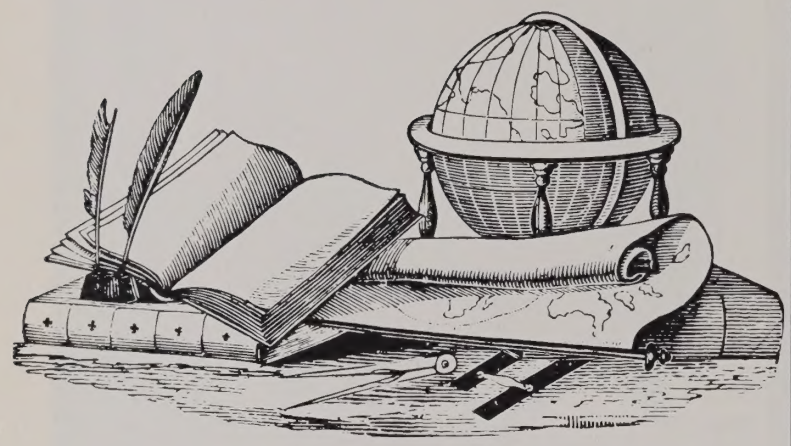








STAFF



Administration

Although the staff here at Virginia Intermont is just as diversied as the Academic Majors, one feels a closeness and a sense of security with his/her administrators. They are always there when needed and never seem to mind if they have to take a few extra minutes just to help a student with something that is causing problems.

Between all the classes, homework and other outside activities, there is another section where all the enthusiasm, time and effort is put into — the campus clubs and organizations. What exactly is a club? According to Webster's, it's "an association of persons for some common object usually jointly supported and meeting periodically." Here at V.I., we have a variety of clubs offering something for virtually everyone. We have clubs for the intellectual, the concerned and even for those who just want to have a good time.

Student Government Association

The best of all governments is that which teaches us to govern ourselves.
— Johann Wolfgang Von Goethe

The purpose of the Student Government Association is to "represent and to further the best interests of the student body, to secure cooperation between different organizations, and to promote responsibility, self-control and loyalty among the students. It shall also exist to share with the faculty and the administration the duties of respecting and promoting the traditions, standards, ideals and objectives of the college.

Under the responsible leadership of SGA President Cindy Budzinski, this group dealt with many different issues and problems that were presented by concerned students. The SGA also organized a very successful and enjoyable Parent's Weekend, and was responsible for the purchase of the highly popular wide-screen T.V. that is located in the Student Center.

Executive Council

The Executive Council is composed of six individuals who provide leadership and responsibility in striving to make the SGA a student voice. The officers are:
Regina Lee — Secretary
Rodney Mort — Parliamentarian
Cathy Bache — Judicial Coordinator
Julie Lentz — Treasurer
Gregg Boutilier — Vice-President
Cindy Budzinski — President

Committee Chairpersons

The Virginia Intermont Equestrian Club is an organization set up to promote horsemanship activities both on and off campus. This is often accomplished through various committee projects; the committees covering such areas as publicity, hospitality and reception, horse showing and judging, buildings and grounds, and the banquet committee.

The Equestrian Club is the largest club on campus, and sponsors such events as horse shows, clinics, a Halloween and Christmas party, and an annual picnic. The bonfire at the barn was also a big event this year.

This club is run primarily by the students themselves, with assistance from the horsemanship instructors and outside sponsors. Each year, the Equestrian award is presented by the club to a deserving student. (pictured above) Laurie Cohen is observed by instructor David Meacham. (below right) a rider manuvers the jumps. Yearbook Staff

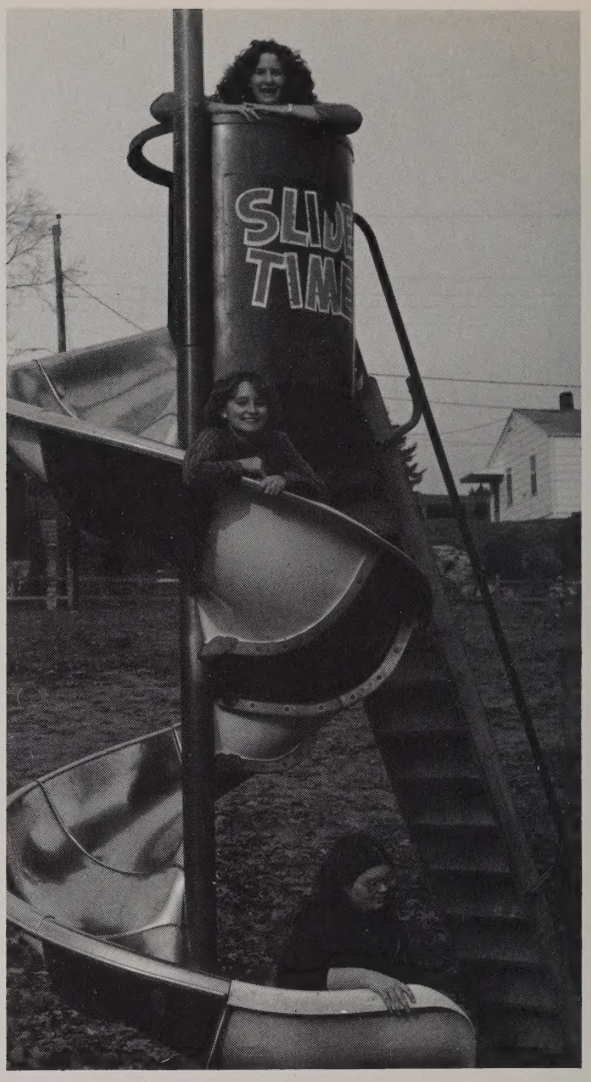
In the spring of 1982, it was decided that there would no longer be a yearbook simply because no one was willing to put forth the time or the effort to work on it. This fall, however, after several organizational meetings, a staff of hard-working individuals was put together. This staff, after spending many long hours and late nights, produced this yearbook. We hope you like it.

Three people were chosen to make sure the production of the book ran smoothly. They are: (pictured at right, top to bottom) Virginia Pryately, editor-in-chief, Lisa Overstreet and Cathy Bache, co-editors.

Along with the three main editors, each section had a seperate editor. These people are: (left to right) Kat Kennedy, Sue Banduric, Crystal Owensby, Michael "T", Robin Strukel, Carol Blair, Ellen Rotchford, Cindy Budzinski, Virginia Washburn. (Not pictured) Doug Bruce, DJ Jones, Brenda Sheldon.

The year 1982-83 was a great one; a year that witnessed many changes and holds wonderful memories for all. It is our hope that students will look back in this book years from now and remember the year as being filled with laughter and good times.



Editors

Section Editors

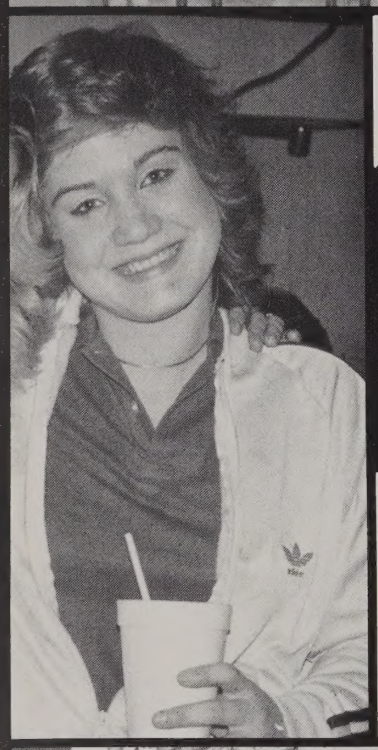
Perhaps the most important people on a yearbook staff are the photographers. What would a yearbook be without the pictures? This group includes: (left to right) Truman Adkins, Maria Policastro, Terry Pittman, (Not pictured) DJ Jones, David Korb, Linda Laughlin, Karen Somerville, Bart Smith.

Being on the yearbook staff included doing everything from layouts, to typing copy, to just running errands. The staff members are: (front row, left to right) Virginia Pryately, Robin Strukel, Lisa Overstreet, Cathy Bache, Carroll Irby, Carla Burner. (2nd row) Carol Blair, Many Henebry, Maria Policastro, Ann McIntyre, Natalie Aldridge, Crystal Owensby. (3rd row) Stephanie Reamy, Sue Banduric, Ellen Rotchford, Cindy Budzinski, Linda Laughlin. (4th row) David Korb, Kat Kennedy, Kate Hogshire, Doug Bruce, Nancy Cain, Danae Jobe, Linda Stike. (5th row) Virginia Washburn. (Not pictured) Michael "T", Chris Slaughter, Truman Adkins, DJ Jones, Lisa Black, Regina Lee, Dorlisa Lyons, Brenda Sheldon, Terry Pittman, Bart Smith, Ellen Gutow, Lynn Bethell, Karen Hancock, Rhonda Russell, Eliza Setel, Bruce Boyd, Wendell Adams.

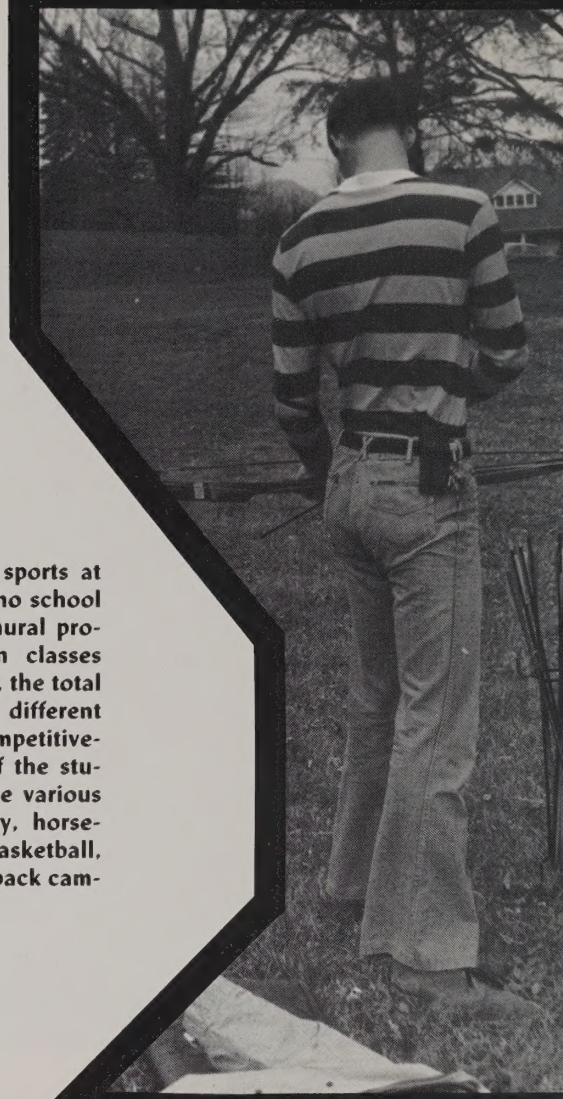
The entire Intermont staff would like to thank Dr. Sharpe for all of her help and encouragement with this project. Even though we didn't meet our original selling goal of 500, she let us go ahead with the book, and took on the responsibility of being our advisor.

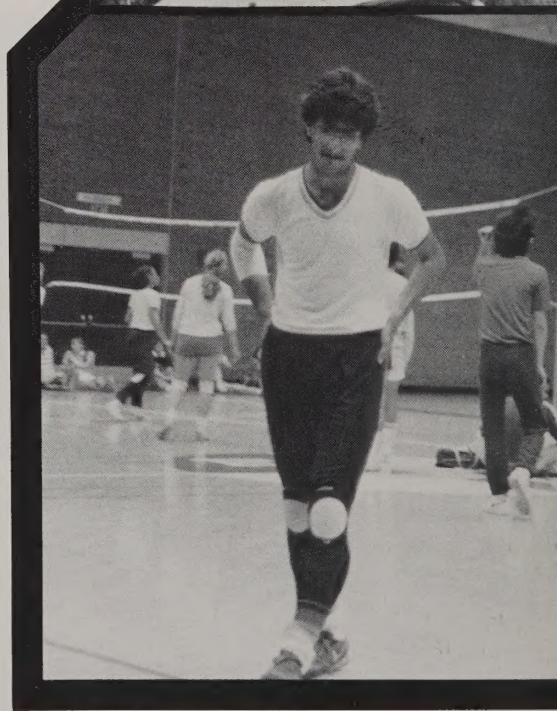
Photographers

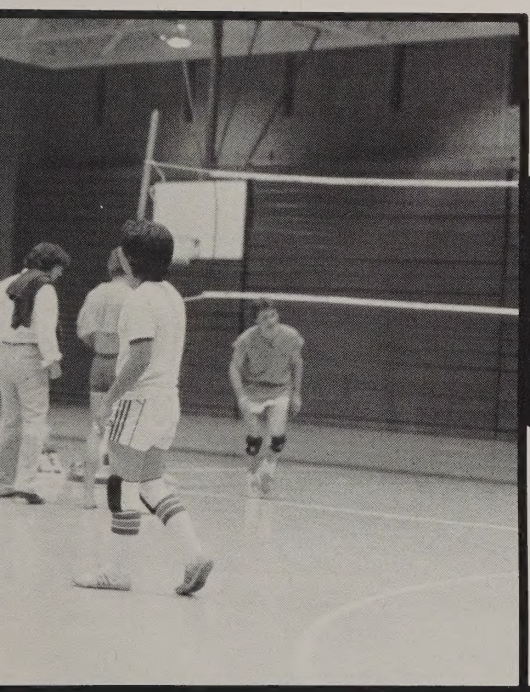
Staff



In certain respects, the sports at V.I. are limited. There are no school teams, but with the intermural programs, physical education classes and back campus activities, the total sports scene is not much different from other schools. The competitiveness and sportsmanship of the students shows through in the various activities including archery, horseback riding, swimming, basketball, volleyball, and, of course, back campus football and frisbee.







SPORTS

Back Campus activities are another way students may socialize. Some of the many activities that take place on back campus are tackle football, and Frisbee and during the warmer seasons, Dr. Sharpe sponsors her famous "Take-A-Breaks" which entail game playing and food eating.

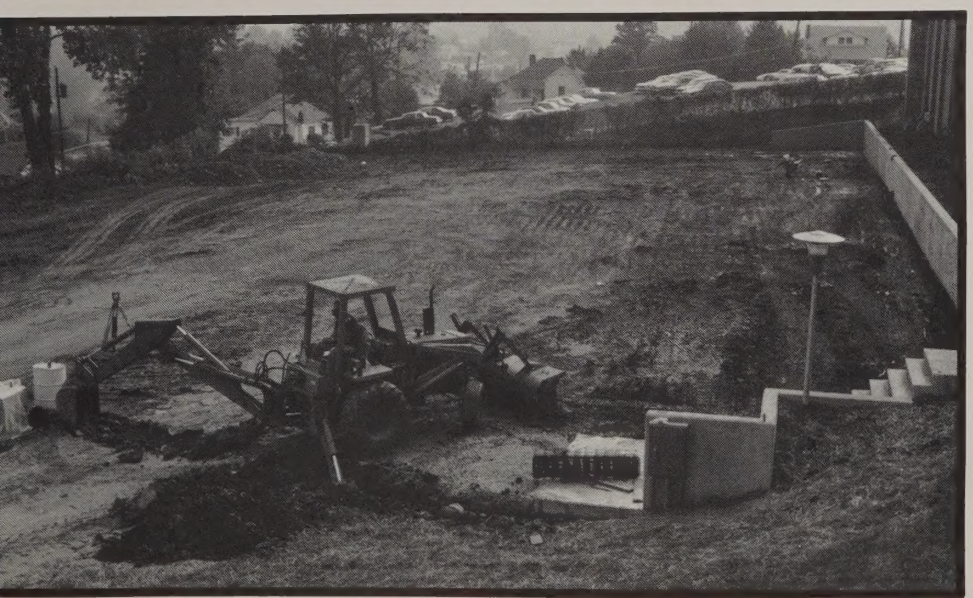
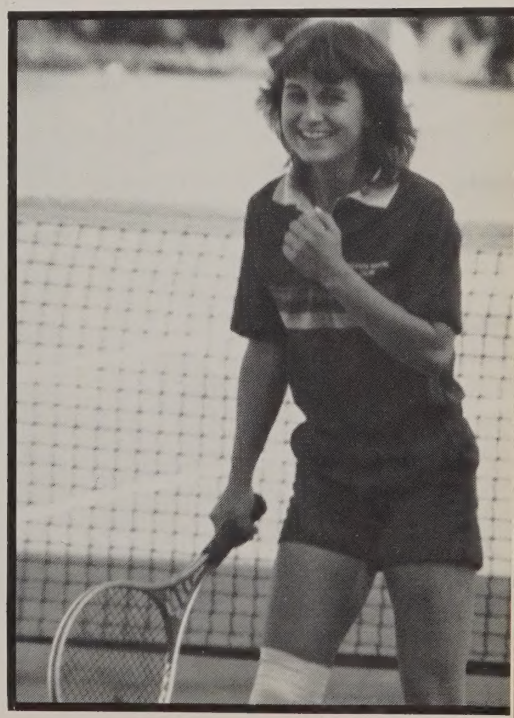
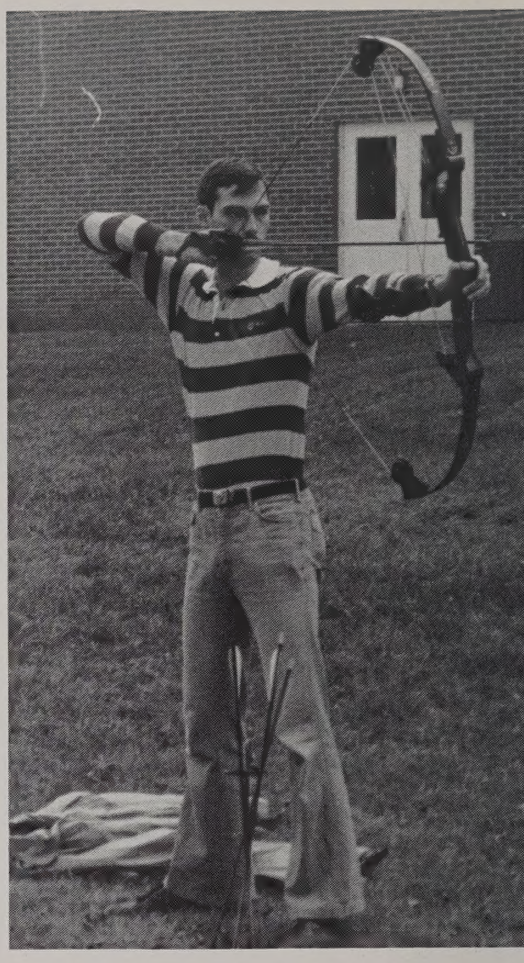
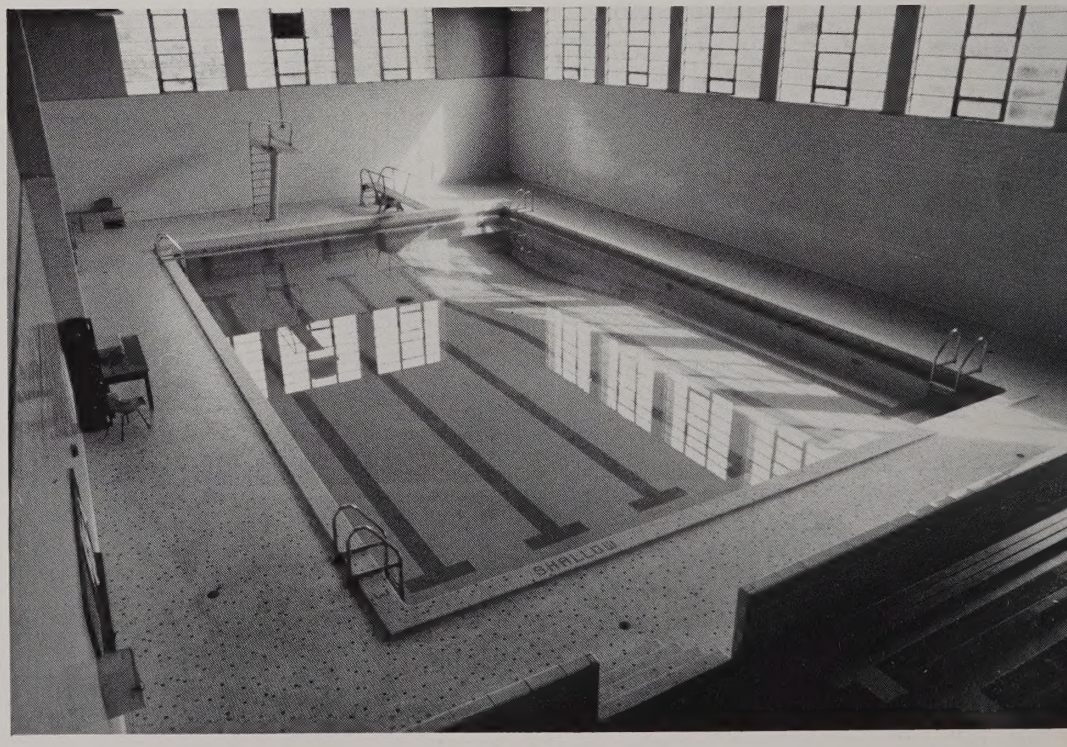
The tennis team at V.I. is a small team but one with talent. The players on the team make it through tryouts and are required to make it to practices and scrimages. With the new tennis courts being built this year, the tennis team hopes to sponsor new and more exciting matches. The construction of the tennis courts is a long one, but in the end it will be well worth the time spent.

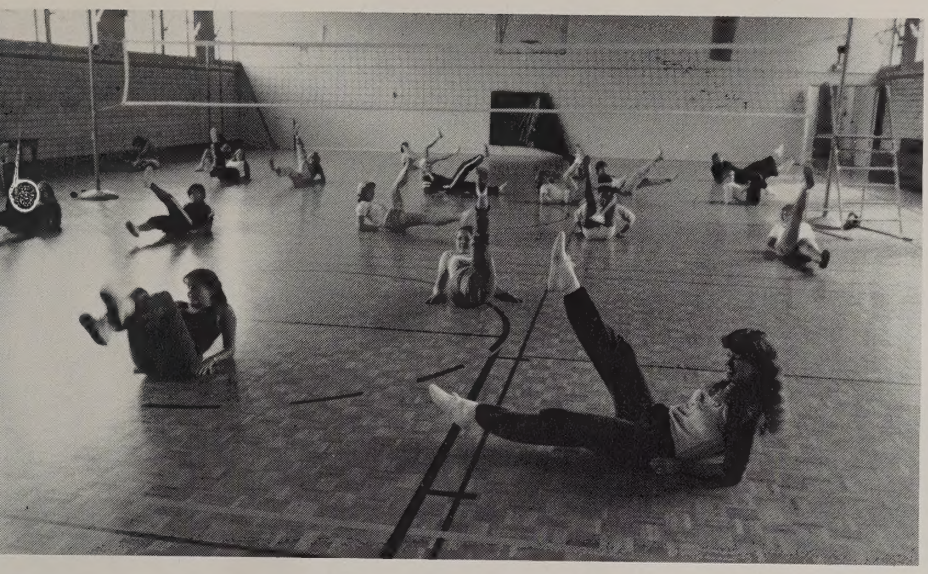


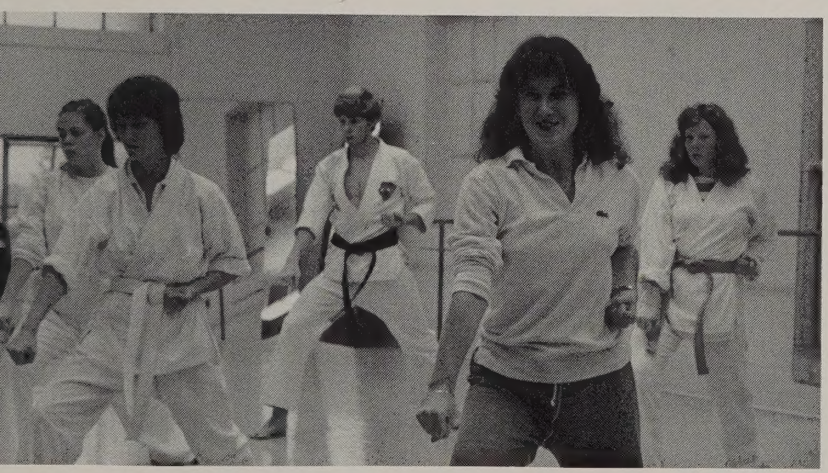


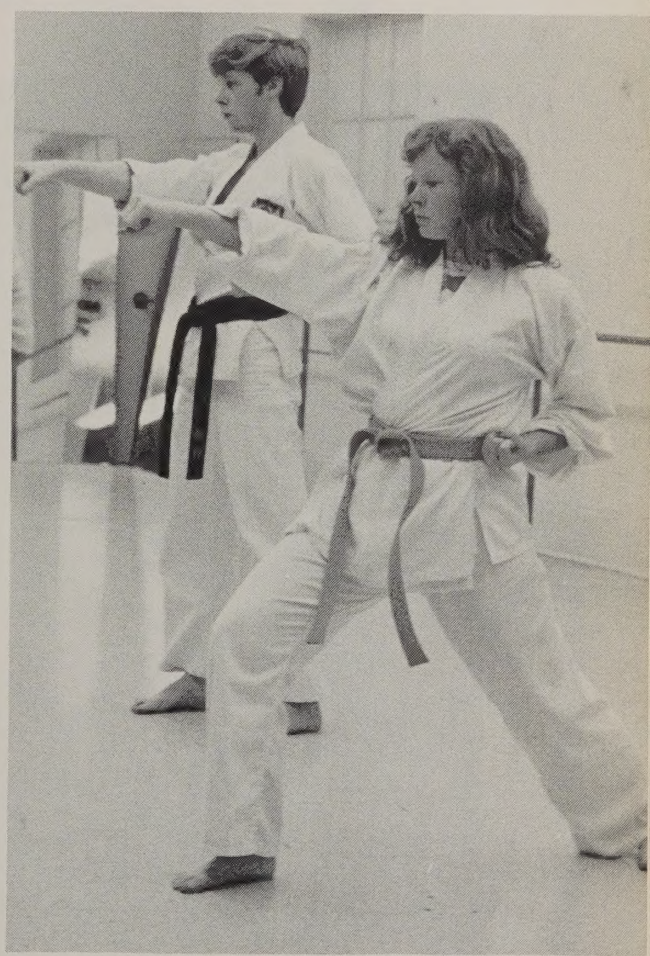
The physical education department at V.I., headed by Mrs. Virginia Canter, has a wide variety of courses available to students. Some of the more popular classes are karate, where students can compete for top honors, archery, clogging, and pool activities that include senior lifesaving and a water safety instructors course. There is also an exercise and weight control class available.

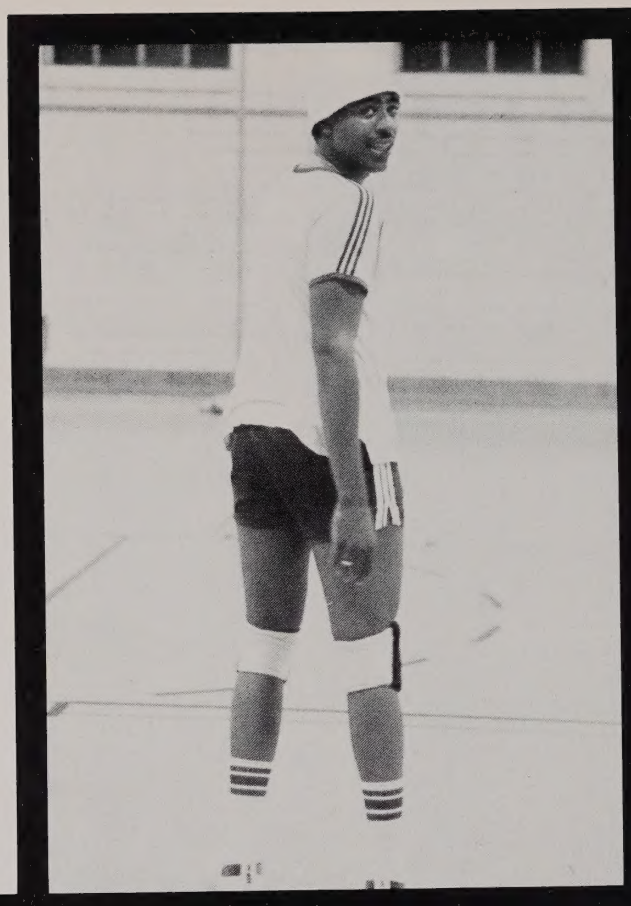


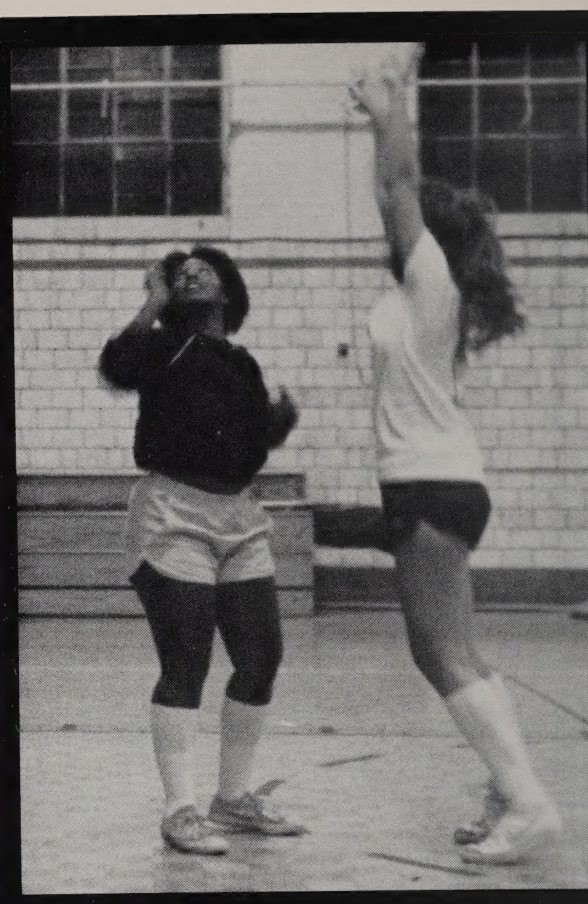


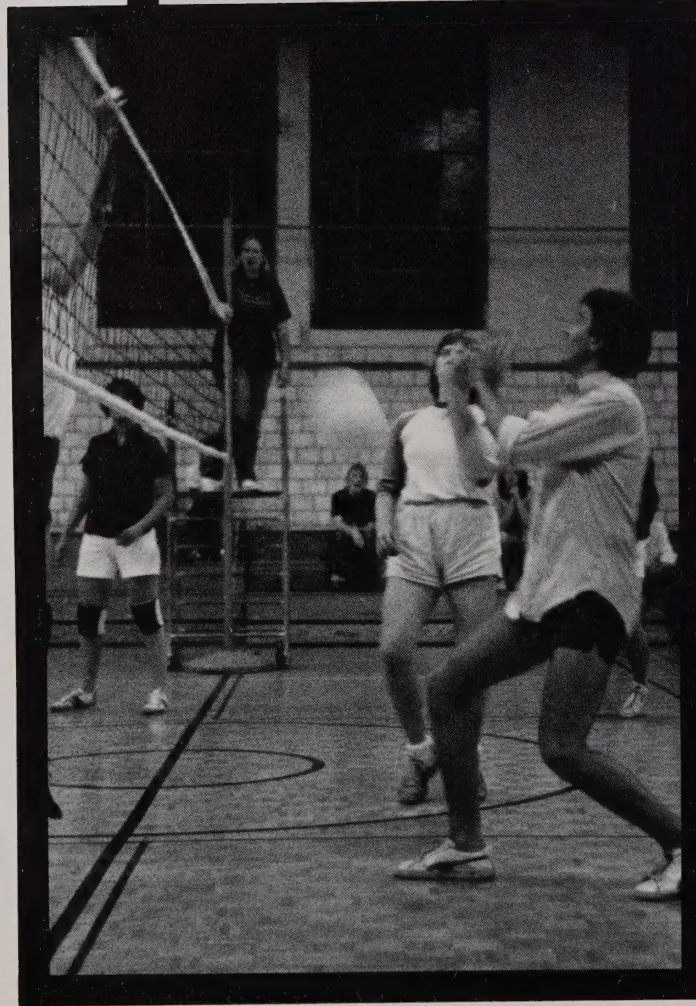


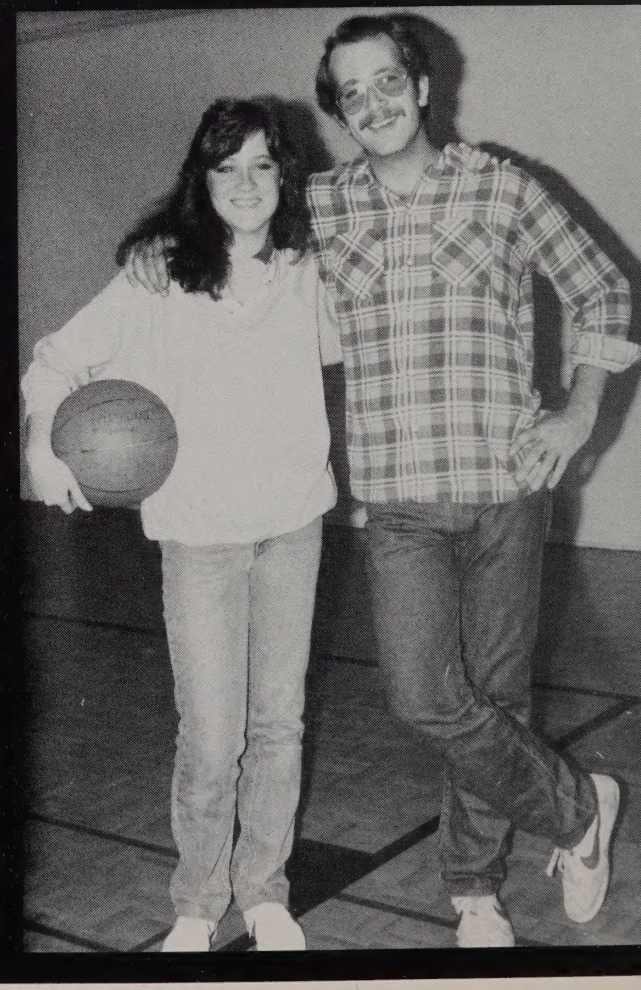








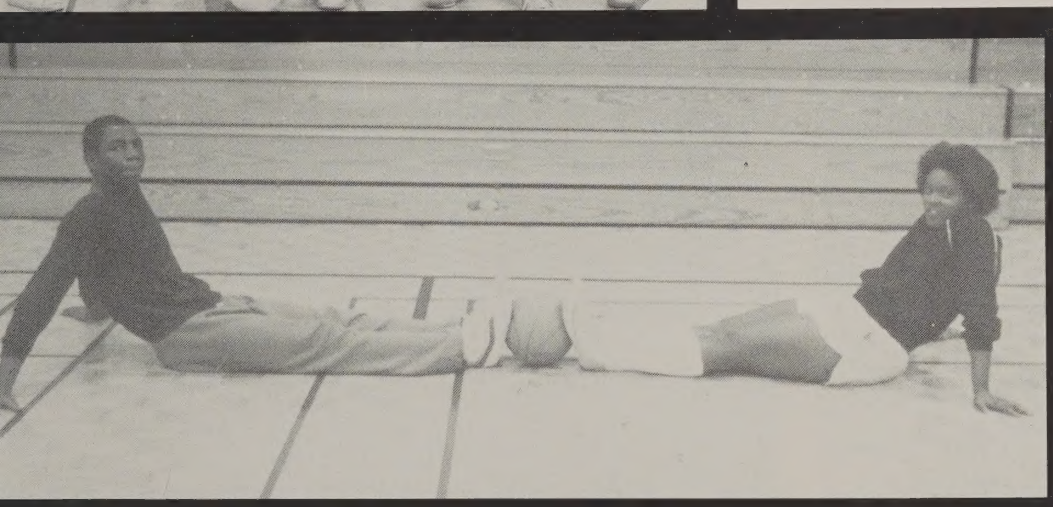


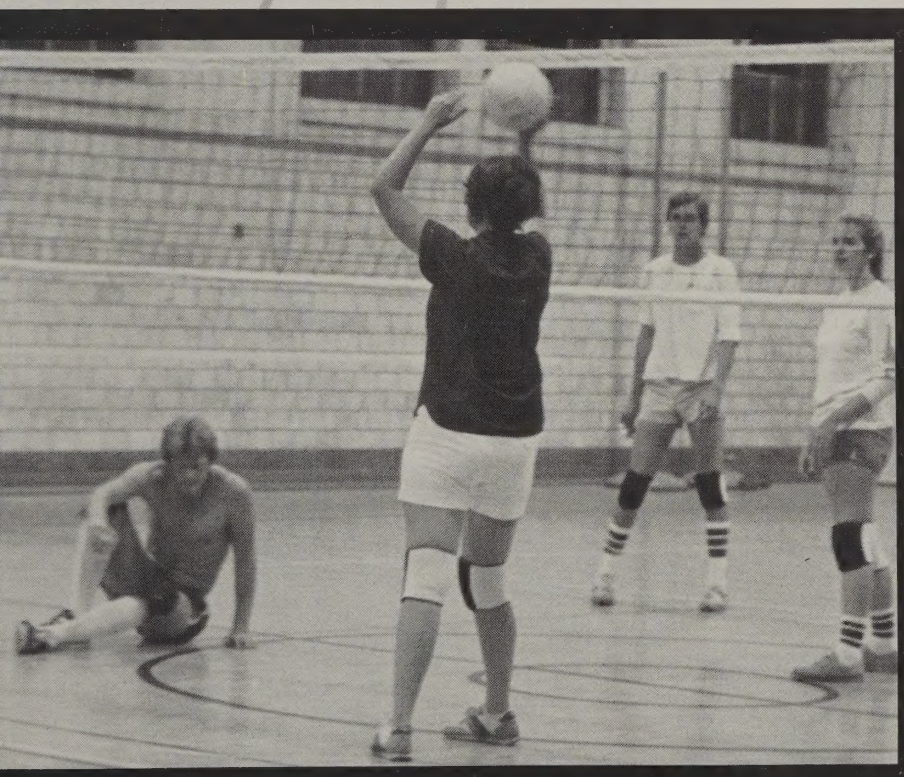


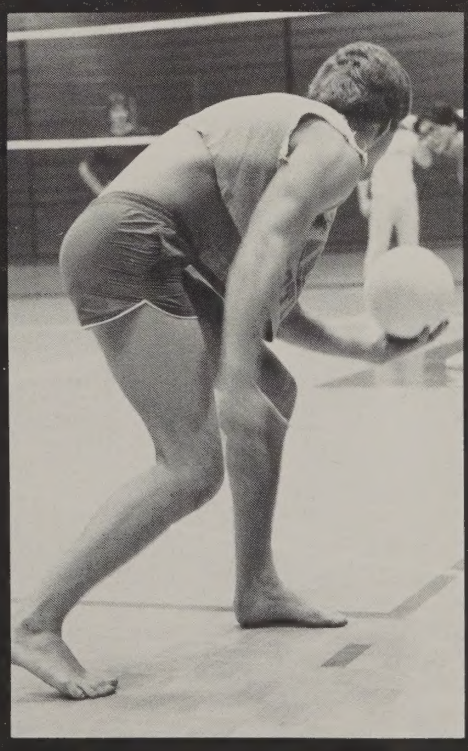
The intramural sports program is one way that students can become involved in collegiate sports. Smaller schools, such as V.I., often don't have major teams to compete against other colleges, so the intramural volleyball and basketball competitions are the major sports events for the students.

This year, the male and female volleyball team champions traveled to King College to compete against Emory and Henry and King College teams. Both V.I. teams put forth a great effort and made a victorious showing!

(top left) a winning team always has a winning smile! (middle left) Richard Jones and Lisa Maycock take a basketball break. (bottom left) Social Work Instructor Susan Helton was a strong player for her team. (bottom right) Johnny Greer prepares to serve.







The Horsemanship program here at V.I. is one of the major sports available to students. The riding program sponsors schooling shows, open shows, and jumping derbys to promote interest in the sport.

This particular sport is a very exhausting one, and entails many hours of hard practice to develop a winning style and form.

Whether you're riding in shows or just playing jump crew, this is truly a very interesting and sometimes dangerous sport. And, through rain or shine, the show always goes on. The indoor riding ring comes in very handy when the conditions outside make it impossible to show.

The world is unclear,
even the past is not sharply
in focus
Feelings cannot be expressed
precisely,
thoughts cannot be thought
to their end.
Little is tangible.
Only the superficial can be
explained.

In this tension,
while struggling for clarity,
new attitudes grow in us.
While facing insecurity
we learn to trust and believe.
Feelings for which we have never
found words
now find expression.

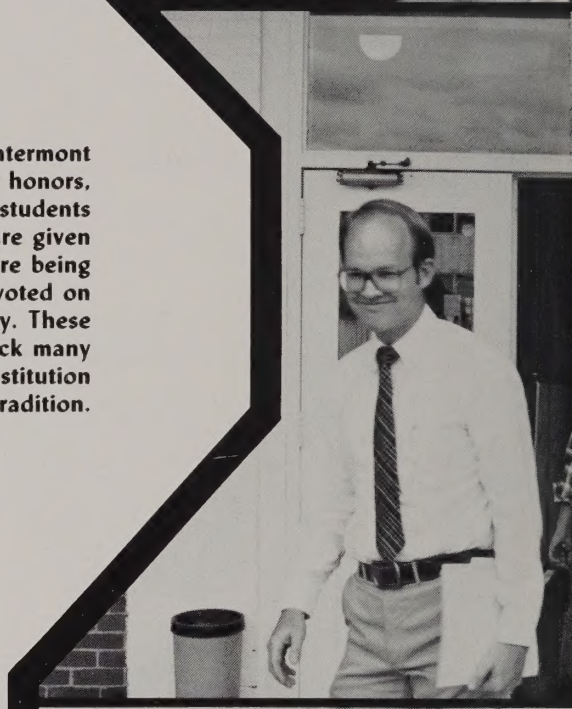
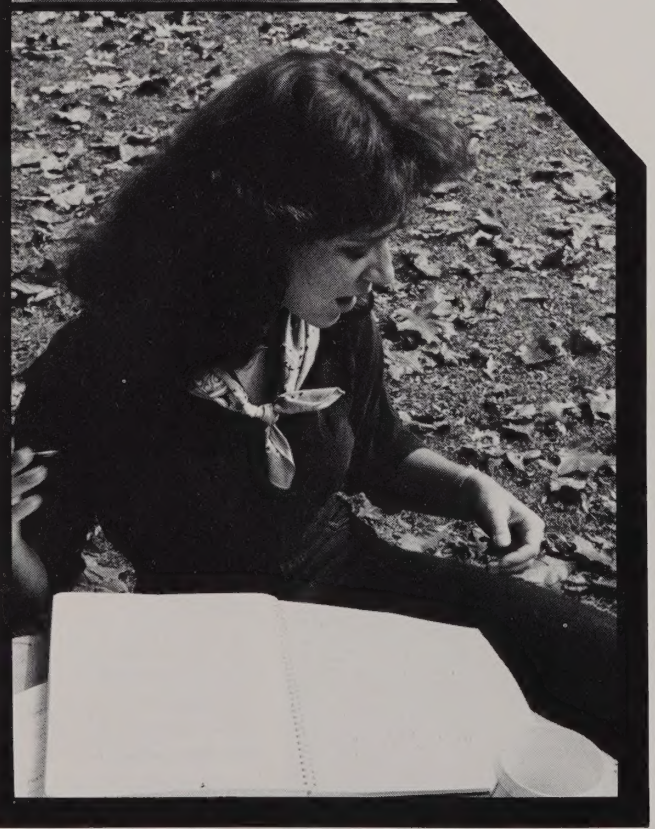
Each year at Virginia Intermont College certain awards, or honors, are given out to deserving students and faculty. All honors are given serious consideration before being awarded, and are usually voted on by the entire student body. These honors can be traced back many years, keeping V.I. an institution rich with tradition.





HONORS

SNOW COURT

The Snow Court is selected solely by the sophomore class. The top six men and women were announced at the annual Show Court dance, with the final announcement of King Gene Slyman and Queen Emmy Goldsborough.

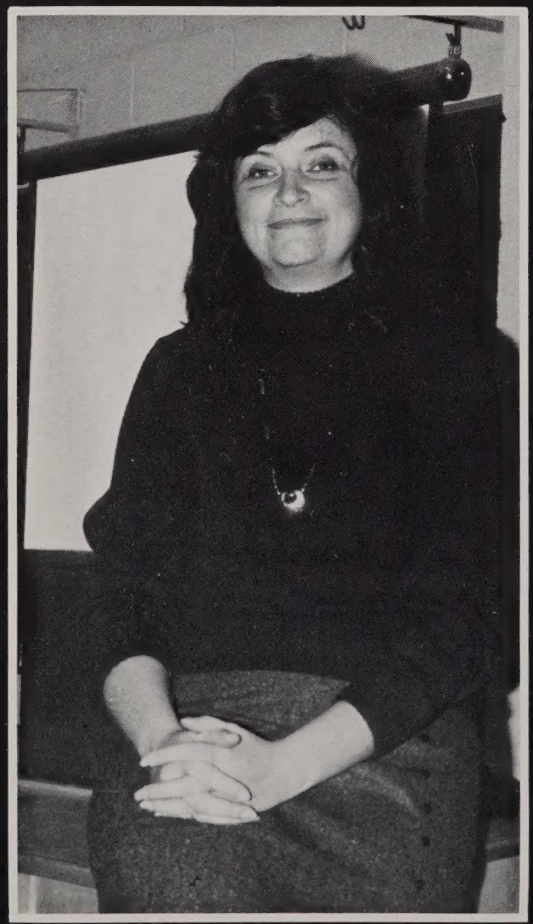
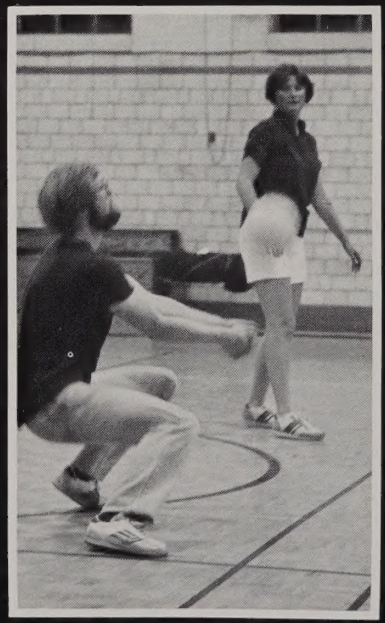
APPLE BLOSSOM PRINCESS

The Apple Blossom princess is selected by President Glass to represent our college in the annual Apple Blossom festival in Winchester VA. The basis of selection includes beauty, charm, poise and personality. This year, Alice Wagoner was given the honor to represent V.I. at this festive event.





OUTSTANDING FACULTY AWARD

The Outstanding Faculty Award is presented annually by the Cauldron, Virginia Intermont's student newspaper and its recipient is selected through student elections. This year the student body has selected Susan Helton to be the faculty member most deserving of this honor. She is an active faculty member and also was a member of the Social Work volleyball team.

MAY COURT

The May Court is elected by the student body from a ballot containing all of the names of graduating sophomores and seniors. Those elected to the court preside over May Day festivities on the V.I. campus in the spring.

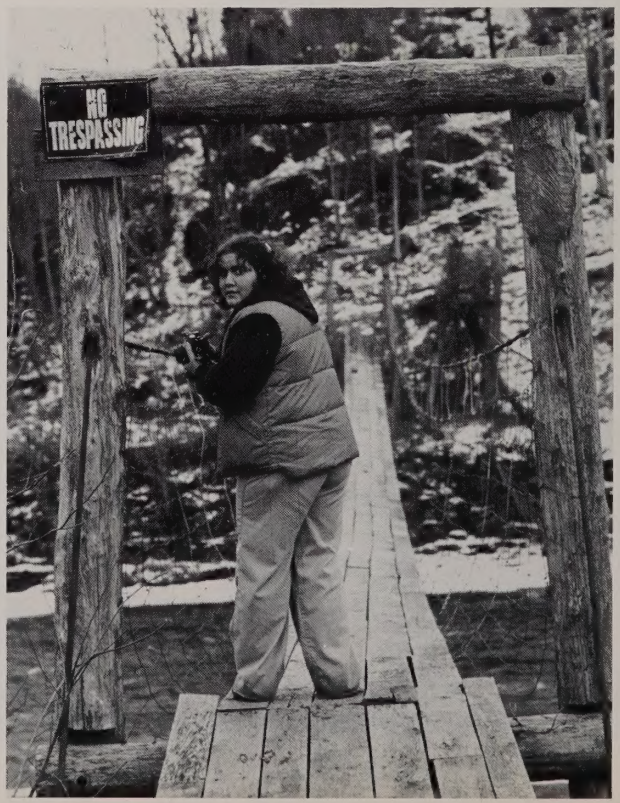
CLOSING

Between the Hustle and the Bustle, Squeeze in a "Take A Break"

"I'd cross any bridge to get a picture for the yearbook!"



The Virginia Intermont College Choir under the direction of James Ward.

On December 2-4, 1982, the Drama Department of Virginia Intermont College presented Carlo Goldoni's The Servant of Two Masters.
